3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in cases where the same name occurs more than once upon the general List of Voters, and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	
Candidates.	Votes.
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.:—

Signed by request of
JAMES THOMPSON,
JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place and retain the paper. *The Polling Officer will be careful fully to carry out the instructions as regards filling in, opposite the Candidates' names, the number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more. He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it; he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receve the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Poling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such polling place shall be in the Western Districts, and to the Civil Commissioner of Albany, where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

RAPPORT van de Direkteuren der Graaff-Reinetsche Bank, den Aandeelhouders voorgelegd op de Jaarlijksche Algemeene Vergadering, gehouden den 20sten Januarij, 1869.

DE Direkteuren hebben den Aandeelhouders voor te leggen een Staat van de Baten en Lasten der Bank en van haar Winst en Verlies gedurende het afgeloopen jaar.

Men zal zien, dat de gezamenlijke Discontos, gedurende het jaar gemaakt, beloopen .. £4,359 14 4
en dat al de kosten en uitgaven bedragen 2,207 8 0

overlaten eene zuivere Winst van £2,152 6 4

Dit is minder dan wat gedurende het jaar te voren gemaakt werd, maar dat moet worden toegeschreven aan eene algemeene vermindering in zaken, hier zoowel als elders, en daaraan, dat de Direkteuren het noodig geoordeeld hebben, vroeg in het jaar het Tarief van Disconto te verminderen tot 6 percent. voor begunstigers, terwijl tegelijkertijd de Bank nog Interest had te betalen naar hetzelfde tarief van 6 percent. op Vaste Deposita voor een aanmerkelijk bedrag, die in het eerste tijdperk des jaars niet konden worden opgezegd.

De vervallen Wissels en slechte en twijfelachtige Schulden, staan als in de rekening op £1,757 16 10
Onder dit bedrag zijn Wissels onlangs vervallen en van personen die pas Insolvent gegaan zijn, (maar op welke Wissels uwe Direkteuren gelooven, dat in het geheel geen verlies zal worden geleden) ten bedrage van 722 16 6

waardoor de vervallen slechte en twijfelachtige Schulden blijven 1,035 0 4
welk bedrag bestaat uit vorderingen in Insolvente Boedels, sommige waarvan nog niet geheel gelikwideerd zijn, en waaruit verdere Dividenden moeten voortkomen.

Ware het bedrag van Discontos gedurende het jaar gemaakt, gelijk geweest met dat van het jaar te voren, dan zouden uwe Direkteuren hebben aanbevolen, die som af te schrijven, en elk verder bedrag daarop ontvangen over te brengen op het Kredit van Winst en Verlies; maar uwe Direkteuren stellen nu voor, uit de netto Winst van £2,152 6s. 4d. den Aandeelhouders een Dividend uit te betalen van 8 percent. op het gestorte Kapitaal, of per aandeel, zijnde £1,600, en het saldo van £552 6s. 4d. af te schrijven van bovengemelde slechte en twijfelachtige Schulden, als wanneer die rekening dan blijven zal op £482 14s., van welke som, gelijk bovengezegd, nog een gedeelte zal inkomen.

De overgetrokken Rekeningen, die op den 31sten December ll. stonden op £316 19s. 1d., zijn bijna allen onmiddelijk daarna aangezuiverd, en er blijft nog een kleine post over, die ook betaald zal worden.

Deze Vergadering zal twee Direkteuren hebben te verkiezen in plaats van de Heeren J. F. ZIERVOGEL en C. H. GRISBROOK, en twee Curatoren in plaats van de Heeren J. C. NAUDE en J. BAUMANN, die allen bij beurtwisseling aftreden maar weder verkiesbaar zijn.

J. F. ZIERVOGEL, Voorzitter.

Graaff-Reinetsche Bank, 20 Januarij, 1869.

Besloten het Rapport aan te nemen.

De Heeren J. F. ZIERVOGEL en C. H. GRISBROOK werden herkozen als Direkteuren en de Heeren J. C. NAUDE en J. BAUMANN als Curatoren.

Aan de Direkteuren, Curatoren en Beambten der Bank werd een votum van dank toegebragt voor hunne bewezene diensten.

J. F. ZIERVOGEL, Voorzitter.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of the following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division, the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in cases where the same name occurs more than once upon the general List of Voters, and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	
Candidates.	**Votes.**
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will him his name, and having, by reference to his list, satisfied himself that is a registered Voter, he will ask him for which of the Candidates he vou he will then hand him a Voting Paper, and desire him to write oppo the name of the Candidate or Candidates he votes for, the number of votes desires to give to each, and to sign his name at the foot of the paper; or, the Voter desires it, he may require the Polling Officer to write his votes him, and even to sign his name to the paper in the following manner, viz.:

Signed by request of

JAMES THOMPSON,

JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write Voter's name at the head of the paper, sign his own name in the proper pl and retain the paper. *The Polling Officer will be careful fully to carry the instructions as regards filling in, opposite the Candidates' names, number of votes given by the Voter, and also as regards the signature to Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and more, and each Voter in the Eastern Districts will have ten votes and no m He may either give all his votes to one Candidate, or divide his votes equ or unequally among any of the Candidates, as he thinks fit. This sh be explained by the Polling Officer in case of doubt.

Digitized by Google

9. No Voter can be allowed to bring with him a paper already filled up; the paper must be filled up in the presence of the Polling Officer, and the Voter must state his votes by word of mouth, upon the Officer demanding it; he cannot hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receve the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

19. *In the event of no Votes whatever being recorded at any Polling Place, the Poling Officer in attendance at such Polling Place will forward a certificate to that effect to the Colonial Secretary where such polling place shall be in the Western Districts, and to the Civil Commissioner of Albany, where such polling place shall be in the Eastern Districts.*

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

GOUVERNEMENTS BERIGT No. 4, 1869.

Koloniale Secretarie, Kaap de Goede Hoop,
7 Januarij, 1869.

ZIJNE Excellentie de Gouverneur heeft de publicatie gelast van de volgende voorschriften ten dienste van Veldkornets en andere Beambten belast met het Opnemen der Stemmen bij de naderende Verkiezingen voor Leden van den Wetgevenden Raad:

1. Ieder Beambte van Stemopneming zal de stipste onpartijdigheid in acht hebben te nemen in de vervulling zijner pligten, en door niets in zijne woorden of houding, reden geven, waardoor het tegendeel vermoed of hem ten laste gelegd kan worden.

2. Ieder Beambte van Stemopneming zal voorzien worden van eene kopie der algemeene lijst van Stemgeregtigden voor de geheele Kiesafdeeling. Deze kopie moet door den Civielen Commissaris als naauwkeurig worden gecertificeerd.

3. Ieder Stemgeregtigde voor eene Afdeeling mag stemmen op eene Kiesplaats binnen die Afdeeling naar verkiezing. Maar een Stemgeregtigde die in één Afdeeling geregistreerd is, kan niet in eene andere Afdeeling stemmen; en na gestemd te hebben op die eene Stemplaats, kan hij niet weder op eene andere stemmen. Ingeval een Veldkornetschap, onlangs daargesteld voor Fiskale oogmerken, gedeelten bevat van meer dan eene Kiesafdeeling, moeten de Stemgeregtigden, in dat Veldkornetschap wonende, stemmen aan de Stemplaatsen in de onderscheidene Kiesafdeelingen, waarin zij geregistreerd staan, en kunnen niet zonder onderscheid op iedere Stemplaats stemmen. En de Beambte van Stemopneming zal in gevallen waarin dezelfde naam meer dan eenmaal voorkomt op de algemeene Lijst van Kiezers, en verder in alle gevallen, zijn best doen om zich te vergewissen, dat de persoon die komt stemmen wezenlijk de persoon of een van de personen is, geregistreerd als geregtigd om te stemmen.

4. Iedere Stemplaats moet als een open Hof worden beschouwd, waar de Kiezers, zoo lang als zij zich op eene ordelijke wijze gedragen, de handelingen zullen mogen gadeslaan; en iedere Kandidaat voor de verkiezing mag door een geschrift onder zijne handteekening of die van den Secretaris van zijn Comité, iemand aanstellen, om ten zijnen behoeve ter stemplaatse tegenwoordig te zijn; en zoodanig persoon mag van den Stemopnememden Beambte vorderen aan elken Stemgeregtigde beide of een der vragen te doen, in het 42ste Artikel der Constitutie Ordonnantie voorgeschreven, maar hij mag zich anders niet met de Stemopname bemoeijen.

5. De Stemopname moet op iedere Kiesplaats ten 8 ure 's morgens open zijn, en ten 5 ure 's avonds gesloten worden, en voor of na die uren kunnen geene stemmen worden aangenomen

6. Aan iederen Beambte van Stemopneming zal een voldoend getal gedrukte Stembriefjes, in den volgenden vorm, worden ter hand gesteld:—

STEMMEN VOOR LEDEN DES RAADS.

FEBRUARIJ, 1869.

Naam van den Stemgeregtigde door den Beambte van Stemopneming hier te worden ingeschreven.	
Kandidaat.	Stemmen.
A B	
C D	
E F	
Naamteekening van den Beambte van Stemopneming.	Naamteekening van den Stemgeregtigde.

7. Wanneer een Stemgeregtigde bij de tafel komt om te stemmen, zal de Stemopnemer hem naar zijn naam vragen, en na met referte tot zijne lijst zich verzekerd te hebben dat hij een geregistreerd stemgeregtigde is, zal hij hem vragen, voor welken van de kandidaten hij stemt; hij zal hem vervolgens een stembriefje overhandigen, en hem verzoeken nevens den naam van den Kandidaat of van de Kandidaten voor welke hij stemt, het getal stemmen te schrijven, welke hij verlangt aan ieder te geven, en zijn naam aan den voet van het dokument te teekenen; of indien de Stemgeregtigde zulks verlangt, mag hij den Beambte van Stemopneming verzoeken zijne stemmen voor hem te schrijven en zelfs zijn naam op het dokument te plaatsen, op de volgende wijze:—

Geteekend op verzoek van
JAMES THOMSON,
JOHN SMITH, A. v. S.

Aan deze vormen voldaan zijnde, zal de Beambte van Stemopneming den naam van den Stemgeregtigde aan het hoofd van het dokument schrijven, zijn eigen naam op de behoorlijke plaats teekenen, en het dokument bewaren. *De Beambte van Stemopneming zal zorg dragen voor de volledige uitvoering van de voorschriften omtrent het invullen van het aantal stemmen door den Stemgeregtigde gegeven, tegenover den naam van den Kandidaat, en ook van die omtrent de onderteekening van het Stembriefje door den Stemgeregtigde en door hemzelven.*

8. Elk Stemgeregtigde in de Westelijke Distrikten zal elf stemmen hebben en niet meer; en elk Stemgeregtigde in de Oostelijke Distrikten zal tien stemmen hebben en niet meer. Hij mag al zijne stemmen geven aan éénen Kandidaat, of wel zijne stemmen gelijkelijk of ongelijk verdeelen over zoo velen der Kandidaten, als hij geschikt oordeelt. Dit moet hem door den Beambte van Stemopneming in geval van twijfel worden uitgelegd.

9. Aan geen Stemgeregtigde kan worden vergund een reeds ingevuld dokument met zich te brengen; het dokument moet worden ingevuld in de tegenwoordigheid van den Beambte van Stemopneming, en de Stemgeregtigde moet zijne Stem mondeling opgeven, wanneer de Beambte die vraagt; hij kan aan den Beambte niets in de gedaante van eene Aanteekening overhandigen, om er zijne stemmen van af te schrijven; maar hij mag zelf eene Aanteekening raadplegen om zijn geheugen te gemoet te komen, in het geven zijner stemmen.

10. Geen Stemgeregtigde kan anders stemmen dan in persoon; hij kan niet wegblijven en zijne stem inzenden; noch kan hij per procuratie stemmen.

11. Ieder Stemgeregtigde heeft volkomen vrijheid om naar verkiezing over zijne stemmen te beschikken; maar de Stemopnemende Beambte zal niet gedogen dat een Stemgeregtigde die zich reeds bij de tafel bevindt, door een Kandidaat, diens Agent, of een der omstanders iets worde ingefluisterd, noch dat dezulken zich op andere wijze met het uitbrengen van zijne stem bemoeijen.

12. Wanneer een Stemgeregtigde gestemd heeft,—dat is, wanneer zijne stemmen geregistreerd zijn en het dokument geteekend is, door hemzelven en den Beambte van Stemopneming, mag hij zijne stem volstrekt niet intrekken of veranderen.

13. De Stembriefjes moeten niet worden vuilgemaakt of op andere wijze beschadigd; en het is beter het dokument in stukken te scheuren en een nieuw Stembriefje in te vullen, dan eenige fout daarop door te schrapen of uit te wisschen.

14. Niemand kan bij de aanstaande verkiezing voor den Wetgevenden Raad eene of meer Stemmen ontvangen, die niet als een Kandidaat is geproklameerd en wiens naam niet op het gedrukte Stembriefje voorkomt. De Beambten van Stemopneming zullen derhalve weigeren den naam van iederen anderen Kandidaat te ontvangen.

15. De wet verbiedt niet aan een Beambte van Stemopneming zijne eigene Stemmen aan te teekenen; het is derhalve aan zijne discretie overgelaten, dit te doen, of zich tot dat einde naar eene andere Stemplaats te begeven.

16. De Beambten van Stemopneming zullen niet, zoo als bij de algemeene verkiezing voor het eerste Parlement, gehouden zijn te beslissen over het doen gelden van eenigerlei aanspraken of tegenwerpingen betreffende het Stemmen. Zij moeten derhalve weigeren in zoodanige kwestien te treden.

17. Wanneer de Stemopname aan eene Kiesplaats afgeloopen is, zal de Beambte van Stemopneming al de stemmen door hem ontvangen zorgvuldig en veilig insluiten en verzegelen, en het paket adresseren aan den Kolonialen Secretaris te Kaapstad en *op een gedeelte van het couvert de woorden "List of Vot es for the Division of ————" schrijven, alsmede zijne eigene naamteekening, en het Veldkornetschap en de Stemplaats waar de stemmen zijn opgenomen.* Dit paket zal hij zoo spoedig mogelijk als bestaanbaar is met deszelfs veilige overzending op den post doen bezorgen, en hij zal zorg dragen een ontvangstbewijs te krijgen van den Postmeester, bij wien zoodanig paket is op den post gedaan.

18. Iedere Beambte van Stemopneming zal, alvorens zoodanig paket te sluiten, zorgvuldig tellen en aanteekening houden van het getal Stembriefjes dat hetzelve bevat.

19. *In geval op eene der Kiesplaatsen in 't geheel geene Stemmen worden aangeteekend, zal de Stemopnemende Beambte, die op zoodanige Stemplaats gevaceerd heeft, een certifikaat in dien zin inzenden aan den Kolonialen Secretaris, wanneer die Stemplaats zich in de Westelijke Distrikten, en aan den Civielen Commissaris van Albanie, wanneer zij zich in de Oostelijke Distrikten bevindt.*

Ter Ordonnantie van Zijne Excellentie den Gouverneur,
R. SOUTHEY,
Koloniale Secretaris.

GOVERNMENT NOTICE.—No. 4, 1869.

Colonial Office, Cape of Good Hope,
7th January, 1869.

HIS Excellency the Governor has commanded the publication of the following directions for the guidance of Field-cornets and other Officers charged with the duty of Polling at the ensuing Election for Members of the Legislative Council:

1. Every Polling Officer is required to maintain the strictest impartiality in the discharge of his duties, and by nothing in his speech or demeanour to give cause for imputing or suspecting the contrary.

2. Each Polling Officer will be furnished with a copy of the general List of Voters for the whole Electoral Division. This copy must be certified by the Civil Commissioner to be a correct one.

3. Every Voter for any Division may vote at any Polling Place within that Division. But a Voter registered in one Division cannot vote in another Division; and after having voted at one Polling Place, he cannot again vote at another. In case any Field-cornetcy recently formed for Fiscal purposes happens to embrace portions of more than one Electoral Division the Voters residing in that Field-cornetcy must vote at the Polling Places in the respective Electoral Divisions in which they stand registered, and cannot vote indiscriminately at one Polling Place. And the Polling Officer, in case where the same name occurs more than once upon the general List of Voters and, indeed, in all cases, will do his best to ascertain that the person coming to vote is really the person, or one of the persons, registered as entitled to vote.

4. Any Candidate for election may, by a writing under his hand or that of the Secretary to his Committee, appoint some person to attend on his behalf at the Polling Place; and such Person may require the Polling Officer to put to any Voter both, or either, of the questions set forth in Section 42 of the Constitution Ordinance, but he cannot otherwise interfere with the Poll.

5. The Poll at every Polling Place is to open at Eight o'clock in the morning and to close at Five o'clock in the evening; and no votes can be taken before or after these hours.

6. A sufficient number of printed Voting Papers, in the following form will be supplied to each Polling Officer:—

VOTES FOR MEMBERS OF COUNCIL.—FEBRUARY, 1869.

Name of Voter to be written here by Polling Officer.	
Candidates.	Votes.
A B	
C D	
E F	
Signature of Polling Officer.	Signature of Voter.

7. Upon a Voter coming to the table to vote, the Polling Officer will ask him his name, and having, by reference to his list, satisfied himself that he is a registered Voter, he will ask him for which of the Candidates he votes; he will then hand him a Voting Paper, and desire him to write opposite the name of the Candidate or Candidates he votes for, the number of votes he desires to give to each, and to sign his name at the foot of the paper; or, if the Voter desires it, he may require the Polling Officer to write his votes for him, and even to sign his name to the paper in the following manner, viz.

Signed by request of

JAMES THOMPSON,

JOHN SMITH, P.O.

These forms having been gone through, the Polling Officer will write the Voter's name at the head of the paper, sign his own name in the proper place and retain the paper. *The Polling Officer will be careful fully to carry out the instructions as regards filling in, opposite the Candidates' names, the number of votes given by the Voter, and also as regards the signature to the Voting Paper by the Voter and by himself.*

8. Each Voter in the Western Districts will have eleven votes and no more, and each Voter in the Eastern Districts will have ten votes and no more. He may either give all his votes to one Candidate, or divide his votes equally or unequally among any of the Candidates, as he thinks fit. This should be explained by the Polling Officer in case of doubt.

[redacted]er can be allowed to bring with him a paper already filled up; the [redacted]t be filled up in the presence of the Polling Officer, and the Vo[redacted] state his votes by word of mouth, upon the Officer demanding it; he [redacted] not hand to the Officer anything in the shape of a Memorandum, from which to copy his votes; but he may refer to a Memorandum to refresh his memory in giving his votes.

10. No Voter can vote except in person; he cannot stay away, and send his vote; nor can he vote by proxy.

11. Every Voter is at perfect liberty to deal with his votes as he pleases; but the Polling Officer will not permit a Voter, who is already at the Table, to be prompted, or otherwise interfered with, by a Candidate, his Agent, or other bystander.

12. When a Voter has finished voting,—that is, when his votes are recorded, and the paper is signed by himself and the Polling Officer,—he can on no account be allowed to recall or alter his votes or any of them.

13. The Voting Papers must not be soiled, or otherwise injured; and in preference to erasing or obliterating any error, it will be better to destroy the paper, and write out a new one.

14. No Person can receive a vote or votes at the ensuing election for the Legislative Council who has not been proclaimed a Candidate, and whose name does not appear on the printed Voting Paper. The Polling Officers, therefore, will refuse to receve the name of any other Candidate.

15. The law does not prohibit a Polling Officer from recording his own votes; it is therefore at his discretion to do so, or to proceed to another Polling Place for that purpose.

16. The Polling Officers will not, as at the General Election for the first Parliament, be called to decide upon any claims or objections to vote. The Polling Officer must, therefore, refuse to entertain any such questions.

17. When the Poll shall be finally closed at any Polling Place, the Polling Officer will carefully and securely enclose and seal up all the Votes received by him, and address the parcel to the Colonial Secretary in Cape Town, if the Polling Place be in one of the Western Districts or to the Civil Commissioner of Albany, at Graham's Town, if the Polling Place be in one of the Eastern Districts, *writing upon some part of the cover, "Lists of Votes for the Division of————," and also his own Signature, and the Field-cornetcy and Polling Place at which the votes have been taken.* This Parcel he will post with as little delay as is consistent with its safe transmission, and will take care to obtain a Receipt from the Postmaster with whom such Parcel is posted.

18. Every Polling Officer will, before closing such Parcel, carefully count and keep a record of the number of Voting Papers which it contains.

KENNISGEVING.—HAVEN COMMISSIE.

DE Haven Commissie heeft een Groen Gaslicht laten plaatsen aan de Bakenrivier Brug om bij donkere nachten de ligging van den Zeebreker te toonen ten dienste van booten die naar wal komen. Er is omzigtigheid noodig bij omzeilen van het schild vermits daar somtijds op gevaarlijke wijze breekt met eene zuidwestelijke deining. Het is geraden om bij het omzeilen van het schild een middenkoers tusschen de Roode Boei vertuid liggende op de hoogte van den steiger der Port Elizabethsche Bootma tot aan pijl en het einde van dien steiger te houden, totdat men de zandbank bij het schild gepasseerd is als wanneer de boot dwars naar de reede of binnenwaarts naar de landing mag gaan.

[redacted]MENTS BERIGT No. 4, 1869.

[redacted]oloniale Secretario, Kaap de Goede Hoop,
7 Januarij, 1869.

Z[redacted]tie de Gouverneur heeft de publicatie gelast van de volgende [redacted] ten dienste van Veldkornets en andere Beambten belast [redacted]der Stemmen bij de naderende Verkiezingen voor Leden [redacted]den Raad:

1. [redacted]ambte van Stemopneming zal de stipste onpartijdigheid in acht hebben te nemen in de vervulling zijner pligten, en door niets in zijne [redacted]woorden, [redacted]ending zeden geven, waardoor het tegendeel vermoed of hem ten laste [redacted]d kan worden.

2. [redacted] Beambte van Stemopneming zal voorzien worden van eene kopie der algemeene lijst van Stemgeregtigden voor de geheele Kiesafdeeling. Deze kopie moet door den Civielen Commissaris als naauwkeurig worden gecertificeerd.

3. Ieder Stemgeregtigde voor eene Afdeeling mag stemmen op eene Kiesplaats binnen die Afdeeling naar verkiezing. Maar een Stemgeregtigde die in éene Afdeeling geregistreerd is, kan niet in eene andere Afdeeling stemmen; en na gestemd te hebben op die eene Stemplaats, kan hij niet weder op eene andere stemmen. Ingeval een Veldkornetschap, onlangs daargesteld voor Fiskale oogmerken, gedeelten bevat van meer dan eene Kiesafdeeling, moeten de Stemgeregtigden, in dat Veldkornetschap wonende, stemmen aan de Stemplaatsen in de onderscheidene Kiesafdeelingen, waarin zij geregistreerd staan, en kunnen niet zonder onderscheid op iedere Stemplaats stemmen. En de Beambte van Stemopneming zal in gevallen waarin dezelfde naam meer dan eenmaal voorkomt op de algemeene Lijst van Kiezers, en verder in alle gevallen, zijn best doen om zich te vergewissen, dat de persoon die komt stemmen wezenlijk de persoon of een van de personen is, geregistreerd als geregtigd om te stemmen.

4. Iedere Stemplaats moet als een open Hof worden beschouwd, waar de Kiezers, zoo lang als zij zich op eene ordelijke wijze gedragen, de handelingen mallen mogen gadeslaan; en iedere Kandidaat voor de verkiezing mag door een geschrift onder zijne handteekening of die van den Secretaris van zijn Comité, iemand aanstellen, om ten zijnen behoeve ter stemplaatse tegenwoordig te zijn; en zoodanig persoon mag van den Stemopnemenden Beambte vorderen aan elken Stemgeregtigde beide of een der vragen te doen, in het [redacted] Artikel der Constitutie Ordonnantie voorgeschreven, maar hij mag zich anders niet met de Stemopname bemoeijen.

5. De Stemopname moet op iedere Kiesplaats ten 8 ure 's morgens open zijn, en ten 5 ure 's avonds gesloten worden, en voor of na die uren kunnen geene stemmen worden aangenomen

6. Aan iederen Beambte van Stemopneming zal een voldoend getal gedrukte Stembriefjes, in den volgenden vorm, worden ter hand gesteld:—

STEMMEN VOOR LEDEN DES RAADS.

FEBRUARIJ, 1869.

Naam van den Stemgeregtigde door den Beambte van Stemopneming hier te worden ingeschreven.	
Kandidaat.	Stemmen.
A B	
C D	
E F	
Naamteekening van den Beambte van Stemopneming.	Naamteekening van den Stemgeregtigde.

7. Wanneer een Stemgeregtigde bij de tafel komt om te stemmen, zal de Stemopnemer hem naar zijn naam vragen, en na met referte tot zijne lijst zich verzekerd te hebben dat hij een geregistreerd stemgeregtigde is, zal hij hem vragen, voor welken van de kandidaten hij stemt; hij zal hem vervolgens een stembriefje overhandigen, en hem verzoeken nevens den naam van den Kandidaat of van de Kandidaten voor welke hij stemt, het getal stemmen te schrijven, welke hij verlangt aan ieder te geven, en zijn naam aan den voet van het dokument te teekenen; of indien de Stemgeregtigde zulks verlangt, mag hij den Beambte van Stemopneming verzoeken zijne stemmen voor hem te schrijven en zelfs zijn naam op het dokument te plaatsen, op de volgende wijze:—

Geteekend op verzoek van
JAMES THOMSON,
JOHN SMITH, A. v. S.

Aan deze vormen voldaan zijnde, zal de Beambte van Stemopneming den naam van den Stemgeregtigde aan het hoofd van het dokument schrijven, zijn eigen naam op de behoorlijke plaats teekenen, en het dokument bewaren. *De Beambte van Stemopneming zal zorg dragen voor de volledige uitvoering van de voorschriften omtrent het invullen van het aantal stemmen door den Stemgeregtigde gegeven, tegenover den naam van den Kandidaat, en ook van die omtrent de onderteekening van het Stembriefje door den Stemgeregtigde en door hemzelven.*

8. Elk Stemgeregtigde in de Westelijke Distrikten zal elf stemmen hebben en niet meer; en elk Stemgeregtigde in de Oostelijke Distrikten zal tien stemmen hebben en niet meer. Hij mag al zijne stemmen geven aan éener Kandidaat, of wel zijne stemmen gelijkelijk of ongelijk verdeelen over zoo velen der Kandidaten, als hij geschikt oordeelt. Dit moet hem door den Beambte van Stemopneming in geval van twijfel worden uitgelegd.

9. Aan geen Stemgeregtigde kan worden vergund een reeds ingevuld dokument met zich te brengen; het dokument moet worden ingevuld in de tegenwoordigheid van den Beambte van Stemopneming, en de Stemgeregtigde moet zijne Stem mondeling opgeven, wanneer de Beambte die vraagt; hij kan aan den Beambte niets in de gedaante van eene Aanteekening overhandigen, om er zijne stemmen van af te schrijven; maar hij mag zelf eene Aanteekening raadplegen om zijn geheugen te gemoet te komen, in het geven zijner stemmen.

10. Geen Stemgeregtigde kan andere stemmen dan in persoon; hij kan niet wegblijven en zijne stem inzenden; noch kan hij per procuratie stemmen.

11. Iedere Stemgeregtigde heeft volkomen vrijheid om naar verkiezing over zijne stemmen te beschikken; maar de Stemopnemende Beambte zal niet gedogen dat een Stemgeregtigde die zich reeds bij de tafel bevindt, door een Kandidaat, diens Agent, of een der omstanders iets worde ingefluisterd, noch dat dezulken zich op andere wijze met het uitbrengen van zijne stem bemoeijen.

12. Wanneer een Stemgeregtigde gestemd heeft,—dat is, wanneer zijne stemmen geregistreerd zijn en het dokument geteekend is, door hemzelven en den Beambte van Stemopneming, mag hij zijne stem volstrekt niet intrekken of veranderen.

13. De Stembriefjes moeten niet worden vuilgemaakt of op andere wijze beschadigd; en het is beter het dokument in stukken te scheuren en een nieuw Stembriefje in te vullen, dan eenige fout daarop door te schrapen of uit te wisschen.

14. Niemand kan bij de aanstaande verkiezing voor den Wetgevenden Raad eene of meer Stemmen ontvangen, die niet als een Kandidaat is geproklameerd en wiens naam niet op het gedrukte Stembriefje voorkomt. De Beambten van Stemopneming zullen derhalve weigeren den naam van iederen anderen Kandidaat te ontvangen.

15. De wet verbiedt niet aan een Beambte van Stemopneming zijne eigene Stemmen aan te teekenen; het is derhalve aan zijne discretie overgelaten, dit te doen, of zich tot dat einde naar eene andere Stemplaats te begeven.

16. De Beambten van Stemopneming zullen niet, zoo als bij de algemeene verkiezing voor het eerste Parlement, gehouden zijn te beslissen over het doen gelden van eenigerlei aanspraken of tegenwerpingen betreffende het Stemmen. Zij moeten derhalve weigeren in zoodanige kwestien te treden.

17. Wanneer de Stemopname aan eene Kiesplaats afgeloopen is, zal de Beambte van Stemopneming al de stemmen door hem ontvangen zorgvuldig en veilig insluiten en verzegelen, en het paket adresseren aan den Kolonialen Secretaris te Kaapstad en *op een gedeelte van het couvert de woorden "List of Votes for the Division of ——————" schrijven, alsmede zijne eigene naamteekening, en het Veldkornetschap en de Stemplaats waar de stemmen zijn opgenomen.* Dit paket zal hij zoo spoedig mogelijk als bestaanbaar is met deszelfs veilige overzending op den post doen bezorgen, en hij zal zorg dragen een ontvangstbewijs te krijgen van den Postmeester, bij wien zoodanig paket is op den post gedaan.

18. Iedere Beambte van Stemopneming zal, alvorens zoodanig paket te sluiten, zorgvuldig tellen en aanteekening houden van het getal Stembriefjes dat hetzelve bevat.

19. *In geval op eene der Kiesplaatsen in 't geheel geene Stemmen worden aangeteekend, zal de Stemopnemende Beambte, die op zoodanige Stemplaats gevaceerd heeft, een certifikaat in dien zin inzenden aan den Kolonialen Secretaris, wanneer die Stemplaats zich in de Westelijke Distrikten, en aan den Civielen Commissaris van Albanie, wanneer zij zich in de Oostelijke Distrikten bevindt.*

Ter Ordonnantie van Zijne Excellentie den Gouverneur,
R. SOUTHEY,
Koloniale Secretaris.

COPY.—CAPE OF GOOD HOPE.]

Downing-street, 8th December, 1868.

Governor Sir P. E. WODEHOUSE, K.C.B.

SIR,—The Queen has had occasion to observe that the constant progress of the British Empire in population, wealth, and enterprise, and the increased opportunities thus happily afforded to Her subjects of rendering effective services to their Sovereign and their Country, have in some respects outgrown Her Majesty's means of recognizing those services in a fitting manner. You are aware that with the object of supplying that deficiency it was found requisite in the year 1847 to enlarge and modify the ancient Order of the Bath, and more recently that Her Majesty has been pleased to create a new Order of Knighthood—the Star of India—for the reward of services rendered in relation to Her Indian Empire. The sphere of usefulness and eminence which is now open in the British Colonies is so varied and extensive as to render it, in Her Majesty's judgment, advisable that to them, as to India, a special form of distinction should be appropriated.

For this purpose, Her Majesty has been graciously pleased to sanction such a modification of the Statutes of the Order of St. Michael and St. George, originally instituted by King George III, in connection with His Majesty's Mediterranean Possessions, and now presided over by a Prince of the Blood Royal, together with such an enlargement of its numbers as will render it available as a reward of distinguished merit or services in any part of Her Majesty's Colonial Possessions.

I annex for publication in the Colony under your Government copies of so much of the new Statutes as prescribes the qualifications for admission into the Order and the number of the Knights.

The Queen is confident that this measure will be received by Her subjects as an evidence of the importance which Her Majesty attaches to Her Colonial Dominions as integral parts of the British Empire, of Her constant interest in their progress, and of Her desire that Services of which they are the scene or the occasion may not pass without adequate and appropriate recognition.

I have, &c.,

BUCKINGHAM & CHANDOS.

Extract from the Statutes of the most Distinguished Order of Saint Michael and Saint George, dated 4th December, 1868.

It is ordained that this most Distinguished Order shall contain three Classes, as in our said Letters Patent mentioned, to be styled and designated respectively—

Knights Grand Cross
Knights Commanders, and
Companions.

It is ordained that the First Class or Knights Grand Cross shall not exceed twenty-five in number.

It is ordained that the Second Class or Knights Commanders shall not exceed sixty in number.

It is ordained that the Third Class or Companions shall not exceed one hundred in number.

It is ordained that the Persons to be admitted into this most Distinguished Order shall be such natural-born subjects of our Crown of the United Kingdom of Great Britain and Ireland as may have held, or shall hereafter hold, High and Confidential Offices within any of our Colonial Possessions, or such other natural-born subjects of our Crown of the United Kingdom of Great Britain and Ireland as may have held, or shall hereafter hold, High and Confidential Offices, or may render extraordinary and important services to Us, as Sovereign of the United Kingdom of Great Britain and Ireland, in relation to any of our Colonial Possessions or who may become eminently distinguished therein by their talents, merits, virtues, loyalty, or services, or who now are, or hereafter may be, appointed Officers of this most Distinguished Order.

Sale on the Stoep of the Commercial Exchange,

OF VALUABLE

LEASEHOLD MINING PROPERTY,

TOGETHER WITH THE

BUILDINGS ERECTED THEREON,

SITUATED AT

Concordia, Little Namaqualand.

THE Undersigned, Assignee of the Estate of HUGO WILHELM ALBERT VON SCHLICHT, of Concordia, will cause to be sold by Mr. L. P. CAUVIN, on the Stoep of the Commercial Exchange, on

Saturday, 3rd April next,

AT NOON PRECISELY,

The MINING LEASES Nos. 10, 12, and 13, each of 20 Morgen, contiguously situated, and comprising the following well-known and valuable Copper Mines:

HESTER MARIA
WHEAL ANNIE
FLAT MINE
WHEAL JULIA,

And in addition thereto, many untried indications of great promise.

The **MINES** already opened, and hitherto worked without the aid of Machinery, have throughout been found so productive that no doubt can exist but that, with proper appliances and an adequate but moderate Capital, a splendid return would be realized. The **FLAT MINE**, moreover (so similar in geological features to the celebrated O'Kiep of the Cape Copper Mining Company), on which trial excavations only have yet been made, has yielded the most extraordinary results, the last shaft sunk, penetrating to a depth of about 40 feet only, having given out more Ore in its progress, and of a *better* quality,—the latter perceptibly improving with the depth,—than any other Mine at corresponding levels that has yet been opened in the District.

The **BUILDINGS** are centrally situated, commodious, and substantially built, having a Manager's Residence, Powder Magazine, and three ranges of Dwellings, the latter containing ample suitable accommodation for any number of Men, with their Officers, that are ever likely to be employed. These Buildings, with any additions that may be made meanwhile, can be sold by the then Proprietor if not assumed by Government at a valuation, in terms of Lease, on the expiry thereof.

The Leases convey a right to graze on the adjoining Government Lands, than which no better Pasturage can be found in the District.

The Property, too, enjoys the advantage of a permanent supply of excellent Water, sufficiently ample for Domestic, Gardening, and Mining purposes; while as a place of Business, situated as it is on the Main Road to Bushmanland, the Purchaser could readily obtain a considerable annual rental for the privilege of Trading, should he choose to let rather than retain the right in his own hands.

The projected **TRAMWAY**, the surveys of which are now in progress, from Port Nolloth, the port of shipment, in a *direct* line to Concordia, will, when completed, lessen the cost and *greatly* enhance the facilities of Transport, hitherto the main, if not indeed the *only bar* to *success* to Mining operations in Namaqualand.

These Properties are held under Lease from the Colonial Government for 31 years, from 1st November, 1868, and subject to payment to Government of a Royalty of 10s. (ten shillings) per ton on all Ore shipped, and further to a yearly Rent of 5s. per morgen.

IN ADDITION TO THE ABOVE WILL BE SOLD,

The *Surface* Ores, or *Burrs*, roughly estimated at from *eight* to *ten thousand* Tons, of sufficiently high percentage for *smelting*, and which could be effected on the spot at comparatively *small* cost.

At the same time will be sold SIX ERVEN, situated in the Village of Springbok, being Nos. 106, 107, 108, 109, 115, and 87.

The Premiums are payable yearly in advance; or at the option of the Assured, half-yearly, with a slight increase of the Rate.

This being a MUTUAL ASSURANCE SOCIETY, the profits are not, as in Proprietary Companies, divided between the Partners and the Assured,—the *whole* belong to the Policy-holders.

The Profits are divided amongst the holders of Policies at the termination of every period of THREE YEARS, and each holder may determine that his share shall be added to the sum assured by him,—or converted into Present Payment—or applied in Reduction of the future Annual Premiums payable by him.

The last Division was declared at the Annual Meeting held on the 6th July, 1868. The Profits then divided were at the rate of 2½ per cent. per annum, or 7½ per cent. for the three years. Thus a Policy of **£500**, taken out before 1st November, 1865, has **£37 10s.**, three years' Profits added to it; a Policy of the same amount, taken out before 1st November, 1867, has **£12 10s.**, one year's Profits added; while the total accumulated Profits on a Policy of **£500**, taken out in 1845, the first year of the Society's existence, now amount to the large sum of **£401 0s. 4d.**

The next Division of Profits will take place in July, 1871.

Persons proposing for assurance will be required to produce *Certificates of Baptism*, or such other proofs of age as the Directors may deem to be satisfactory.

Candidates for assurance are *not* charged with fees payable to the *Medical Officers* of the Society.

Prospectuses, Forms of Proposal, and all information respecting the Society may be obtained at the Office in Cape Town, or at any of the Agencies throughout the Colony

Te Concordia, Klein Namaqualand.

DE Ondergeteekende, Assignee in den Boedel van HUGO WILHELM ALBERT VON SCHLICHT, te Concordia, zal door den Heer L. P. CAUVIN laten verkoopen op de Stoep van de Koopmansbeurs,

Op Zaturdag, den 3 April aanst.,

's Middags 12 ure precies,

De MIJN-PACHTEN Nos. 10, 12 en 13, elk van 20 morgen, aan elkander gelegen en bevattende de welbekende en kostbare Koper-mijnen

HESTER MARIA,
WHEAL ANNIE,
FLAT MINE,
WHEAL JULIA,

En behalve deze vele nog onbeproefde aanduidingen die veel beloven.

Deze Mijnen, die alreeds geopend zijn en tot hiertoe bewerkt worden zonder Machinerie, hebben a door zoo veel opgeleverd, dat er geen twijfel kan bestaan, of zij moeten met behoorlijke middelen en een toereikend maar matig kapitaal een uitstekende goede winst afwerpen. De FLAT MINE daarenboven, die in geologische kenteekenen zoo zeer overeenkomt met de beroemde O'Kiep van de Kaapsche Koper-mijn Maatschappij, en waarop nog slechts proef-uitgravingen hebben plaats gehad, heeft de meest buitengewone uitkomsten opgeleverd, hebbende de laatst geboorde put, die tot eene diepte gaat van slechts omtrent 40 voet, gedurende de uitgraving meer erts opgeleverd en van eene betere met de diepte merkbaar toenemende kwaliteit dan alle andere Mijnen op overeenkomstige ligging, die tot nogtoe in het Distrikt geopend zijn.

De GEBOUWEN zijn centraal gelegen, welingerigt en hechtgebouwd, bestaande uit een Direkteurs-woning, Kruidmagazijn, en drie rijen Woonhuizen, de laatste ingerigt om voldoende behuizing te verschaffen van elk aantal Manschappen met hunne Beambten, die er waarschijnlijk ooit zullen geëmploijeerd worden. Deze Gebouwen met alle andere die er immiddels nog mogen worden bijgevoegd, kunnen door dengene die er alsdan eigenaar van is, worden verkocht indien ze niet door het Gouvernement worden aanvaard volgens schatting, overeenkomstig het pachtkontrakt wanneer dat afgeloopen zal zijn.

Het pachtkontrakt geeft regt om te weiden op het aanbelende Gouvernementsland, dat om te grazen door geen ander in het Distrikt overtroffen wordt.

Het Eigendom geniet ook het voorregt van een standhoudenden toevoer van uitmuntend Water voor Huiselijk-, Tuin- en Mijngebruik, terwijl het als eene plaats van Zaken, gelegen als het is aan den Hoofd-weg naar Boschmansland, den kooper gereedelijk een aanmerkelijke jaarlijksche huur kan opbrengen voor het privilege van handel drijven, indien hij het regt daartoe liever verhuren dan in eigene handen houden wil.

Het Ontworpen Trekspoor, waarvoor de opmetingen nu aan den gang zijn, van Port Nolloth, de haven van verscheping in eene direkte lijn naar Concordia, zal, voltooid zijnde, kosten verminderen en *grootelijks* de gerieven van transport vermeerderen, welke tot hiertoe de voornaamste, zoo al niet de eenige *hinderpaal* in het *welslagen* Mijnoperatien in Namaqualand geweest zijn.

Deze Eigendommen worden gehouden onder Pacht van het Koloniale Gouvernement voor 31 jaren van den 1sten November, 1868, en zijn onderworpen aan de betaling van een Kroonregt aan de Regering van 10s. (tien shillings) per ton van allen Erts die verscheept wordt, en verder aan een jaarlijksche huur van 5s. per Morgen.

Behalve het bovengenoemde zal nog worden verkocht:

De *Ertsen* op de *Oppervlakte* of "*Burrs*," in 't ruwe begroot op *acht* à *tienduizend* Tons van genoegzaam allooi *voor smelting*, hetgeen op de plaats zelve met betrekkelijk *geringe* kosten kan geschieden.

Tevens zullen worden verkocht ZES ERVEN, gelegen in het Dorp Springbok, zijnde Nos. 106, 107, 108, 109, 115 en 87.

GOVERNMENT NOTICE.—No. 23, 1869.

HIS Excellency the Lieutenant-Governor directs it to be notified that two Vessels have arrived in the harbour of Port Natal from Australia, conveying a number of Passengers, who have informed certain officers of this Government, at Durban, that they have come to Natal under a misapprehension which is widely spread in Australia, that what are there termed "payable gold-fields" exist, either in Natal or the country of the Chief Moselikatse, at a distance of upwards of eight hundred miles in the interior of Africa, and beyond the territories of the Transvaal, or South African Republic.

The Lieutenant-Governor therefore deems it advisable to inform the Public generally, both in Natal and elsewhere, that this Government is not in possession of evidence of the existence of Gold in remunerative quantities, either in Natal or in the territories referred to, although auriferous spots have been discovered in both.

The Lieutenant-Governor deems it expedient also to caution persons at a distance against being misled by individual impressions of imperfect information, and against supposing that there exists at present in Natal such a demand for labour as would supply by its profits, to persons without capital, the means of proceeding into the interior.

By His Excellency's command,

D. ERSKINE,
Colonial Secretary.

[GOVERNMENT NOTICE.—No. 65, 1869.

Colonial Office, Cape of Good Hope,
1st March, 1869.

HIS Excellency the Governor has directed the following Documents to be published for general information.

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

MINUTES of a Conference held at Aliwal North in the month of February, 1869, for the Settlement of the Affairs of Basutoland, between Sir P. E. WODEHOUSE, High Commissioner, as representing Her Majesty the Queen of Great Britain and Ireland, and His Honour J. H. BRAND, Esq., President of the Orange Free State, Mr. Advocate HAMELBERG, J. J. VENTER, Esq., C. J. DE VILLIERS Esq., A. J. BESTER, Esq., Commissioners appointed by the Volksraad of the Orange Free State.

February 4, 1869.

PRESENT:

The High Commissioner, and all the Members of the Commission of the Orange Free State.

His Excellency the High Commissioner inquires from the Commissioners whether the results of this Conference must be submitted to the Volksraad.

The Commissioners state that, according to the Constitution of the Free State, it must be submitted.

The President wishes to know what may be the High Commissioner's intention.

The High Commissioner expresses his desire to promote the amicable settlement of matters, and the security of all parties for the future.

The President refers to the difficult position in which the Orange Free State is placed by the Basutos being taken over as British subjects.

The High Commissioner requests that the Commissioners will make some proposal.

The Commissioners think that a proposal should come from the High Commissioner.

The High Commissioner states that he has made several proposals which have been rejected.

The President remarked that all correspondence since the Proclamation of 12th March, 1868, was withdrawn.

The High Commissioner then stated that this was a point which must be settled; that he had offered to withdraw the correspondence, but had received no reply.

After discussion, it was agreed that the correspondence be considered as withdrawn, and that the Conference start from the Proclamation of the 12th March, 1868, taking over the Basutos.

The President reads Article 2 of the Convention of 23rd February, 1854, and refers to the depredations of the Basutos, and the necessity for the protection against the recurrence, and refers to the supply of ammunition to the Basutos.

The High Commissioner states that until the receipt of the President's letter of the 6th January, 1869, he was not aware the Basutos received ammunition.

After a lag by discussion the Commissioners state that they consider the Treaty of Thaba Bosigo to be valid and in force.

The High Commissioner declines to give any opinion.

The Commissioners claim the line described in Article 1 of the Treaty of Thaba Bosigo.

The High Commissioner expresses his opinion that with that line it will not be practicable for him to guarantee the protection of property and the maintenance of order on the border.

Meeting adjourned until to-morrow morning at 11 o'clock.

5th February, 1869, at 11 o'clock a.m.

After considerable discussion, the High Commissioner submits a proposal (marked No. 1) for the consideration of the Commissioners, and after a short discussion respecting the same, the meeting adjourned.

The reply from the Commissioners (marked No. 2) was received same day.

3 o'clock p.m.

Reassembled and discussed the proposals.

6th February, 1869.

On this day the communications marked No. 3 to 7, inclusive, were exchanged between the High Commissioner and the Commissioners.

8th February, 1869.

The communications marked 8 to 11, inclusive, were exchanged.

8 o'clock p.m.

The Conference met, and after discussion the High Commissioner delivered to the Commissioners his reply to their last proposal. (Reply marked 12.)

9th February, 1869.

Another communication from the Commissioners (marked No. 13) was forwarded to the High Commissioner, to which document No. 14 is a reply.

11 o'clock.

Conference met, and, having agreed upon the boundary line, a draft thereof respecting the terms of the Convention to be drawn up.

The Commissioners refer to the 8th Article of the Treaty of Thaba Bosigo with regard to the Chief Moroka.

The High Commissioner declares that the Chief Moroka and his people are in full peace with the Government.

The High Commissioner upon the murderers of Bushe and Krynauw being delivered to the Free State authorities, to be dealt with according to law.

The High Commissioner says that if a written demand be made for such delivery, he will give a written answer.

The Commissioners point to the 8th Article of the Convention of the 23rd February, 1854, with regard to ammunition.

The High Commissioner says that as soon as the Convention shall have been signed, he will do away with the restrictions on the ammunition, if martial law be abolished in the Free State, and the prohibition of the passage of wagons to and from Basutoland be removed.

The Commissioners express their wish that the High Commissioner would, if possible, communicate to them the views of the British Government, and of himself, with respect to the said notice; which the High Commissioner promises to give in writing (Communication No. 15.)

The Meeting then adjourned in order that a draft of provisional Convention might be drawn.

10th February, 1869.

The communications marked Nos. 16, 17, and 18, passed between the President of the Orange Free State and the High Commissioner.

Same day.

The Conference then met at 4 p.m., and the draft Convention, with certain amendments, and additions was agreed to.

12th February, 1869.

The conference met at 10 o'clock a.m. The following communications were recorded,: Letter from the President of the Orange Free State to the High Commissioner, of the 10th February, 1869, and the reply of the 11th February, 1869 (marked Nos. 19 and 20) respecting the cases of Bush and Krynauw.

The Convention was then read and approved, and signed in duplicate.

The regulations regarding the recovery of stolen cattle, and the punishment of the thieves (marked 21) were agreed to and signed in duplicate.

The minutes of proceedings were then read and approved, and the Conference terminated.

1. The border between the Free State and Basutoland shall be that recognized before the war of 1865.

2. All persons to whom the Government of the Free State shall, before the 1st day of April, 1868, have sold or granted farms lying between the line in the preceding article mentioned and the line described in a letter from the High Commissioner to the President, of the 14th April, 1868, and who shall have complied with the conditions of the sale or grant, shall, subject to the stipulations hereinafter contained, receive titles for the same from the British Government. All instalments remaining due under the conditions of sale shall be paid to the Free State.

6. P. E. WODEHOUSE.

[No. 2.]

The Commissioners of the Orange Free State, having taken the proposal handed to them this morning by His Excellency the High Commissioner into serious consideration, have the honour to declare that that proposal cannot be accepted by them, for that by so doing they would act wholly at variance with the instructions given to them, and contrary to the desire of their Government, to the wish of the burghers, and the interests of the State.

The Government of the Orange Free State relies, as has been already stated by the Commissioners in yesterday's conference, on the Treaty of Thaba Bosigo of the 3rd April, 1866. It maintains that according to the rules of international laws, that treaty has in no wise been invalidated by any circumstances which have occurred since its date, and it adheres generally to the line defined in Art. 1,—the line which the Government of the Orange Free State believes it is entitled to regard as the boundary line between the Orange Free State and Basutoland, and which it maintains ought to be recognised as such, although it is willing and has empowered the Commissioners to consent to an alteration or modification of that line, if they consider it desirable.

Without mentioning the several reasons communicated from time to time to His Excellency the High Commissioner as obstacles to the abandonment of the conquered and ceded territory, the Commissioners wish to observe that they would not consider themselves as all justified to consent to an arrangement which would entail the consequence that many persons who, placing faith in the sanctity of a solemn treaty, and in the honesty of the Government of the Orange Free State, have purchased or accepted farms in the conquered territory, would be compelled either to give up these farms or to lose their rights as citizens of the Orange Free State.

While the Commissioners are, therefore, compelled to reject the proposal of His Excellency the High Commissioner, they declare themselves ready, for the purpose of obtaining a line defined by natural boundaries, to give up the ground situated east of Cornetspruit Zandspruit, Tandjesberg, and the rivulet running alongside Golah into the Caledon River, if an agreement can be come to as to the compensation to be paid by the British Government to the Government of the Orange Free State for such abandonment.

The Commissioners aforesaid,

J. H. BRAND,
J. J. VENTER,
C. J. DE VILLIERS,
A. J. BESTER,
H. A. L. HAMELBERG.

Aliwal North, February 6, 1869.

His Honour the President.

SIR,—I have the honour to forward for the consideration of the Orange Free State Commissioners my reply to the memo. transmitted to me yesterday.

I shall be ready to resume our deliberations whenever it may be convenient to them.

I have, &c

P. E. ODEHOUSE.

Aliwal North, February 6, 1869.

The High Commissioner regrets to learn that the Commissioners of the Orange Free State declare the acceptance of his proposal made yesterday to be barred by the instructions given them, and to be contrary to the desire of their Government, to the wish of the burghers, and to the interests of the State.

His acceptance of the modification of the line described in the Treaty of Thaba Bosigo, now proposed by the Commission, would, he considers, confine the Basutos within limits which would be fatal to the establishment of friendly relations and the maintenance of permanent peace and order.

P. E. WODEHOUSE.

[No. 4.]

The Commissioners of the Orange Free State have, in compliance with the wish of His Excellency the High Commissioner, taken into consideration the written reply of His Excellency to their proposal of yesterday.

They perceive from that reply that His Excellency brings the subject of the boundary line between the Orange Free State and Basutoland in direct connection with the establishment of friendly relations and the maintenance of permanent peace and order. The Commissioners cannot, from their standpoint, concede that such direct connection exists between the two subjects. They consider and maintain that everything concerning the boundary line is a matter of right, founded upon a formal legal and valid treaty, and upon conquest; and the accuracy of that view and contention has not been controverted on the part of the British Government. On the contrary, His Excellency the High Commissioner has admitted that the line as it existed in 1864 could not be claimed as of right, and has accepted the explanation of Her Majesty's Secretary of State for the Colonies that the Proclamation declaring Basutoland British Territory and the Basutos British subjects could only mean Basutoland and the tribes as they then existed, in the light of equitable rights. That proclamation was issued without any previous request, without the concurrence and without the consent of the Orange Free State. The Proclamation is therefore an act entirely independent of the Orange Free State, and for the necessary consequences and results of which the Orange Free State is not responsible. For these reasons the Commissioners are of opinion that all points concerning the maintenance of peace, tranquillity, and order, and the manner in which the British Government may think it expedient to compel the Basutos to respect the rights of their neighbours, are distinct from the boundary line.

Entertaining these views, the Commissioners will be glad to receive from His Excellency the High Commissioner a definite answer whether His Excellency accepts or rejects the boundary line proposed by them yesterday.

The Commissioners aforesaid,

J. H. BRAND,
J. J. VENTER,
C. J. DE VILLIERS,
A. J. BESTER,
H. A. L. HAMELBERG.

His Honour the President.

SIR,—I have the honour to forward the reply requested of me by the Commissioners of the Orange Free State.

I have, &c.,
P. E. WODEHOUSE.

In compliance with the request of the Commissioners of the Orange Free State, the High Commissioner begs to state that he cannot accept the boundary line proposed by them yesterday.

P. E. WODEHOUSE.

Aliwal North, February 6th, 1869.

[No. 6.]

The Commissioners of the Orange Free State having received the reply of His Excellency the High Commissioner, in which His Excellency declares that he cannot accept the boundary line proposed by them yesterday, request that they may be informed by His Excellency whether His Excellency considers the negotiations which have been commenced concerning the boundary line to be at an end, as far as His Excellency and the Commissioners are concerned, or whether His Excellency is disposed to make another proposal concerning it, in which case the Commissioners express their willingness, on the receipt of such proposal, to take it into earnest consideration.

Aliwal North, February 6, 1869.

His Honour the President.

SIR,—In reply to your last letter of this date, I have the honour to enclose a proposal for the consideration of the Commissioners.

I have, &c.,
P. E. WODEHOUSE.

The High Commissioner is most unwilling to regard the negotiations respecting the boundary line to be at an end, when informed that the Commissioners of the Orange Free State are willing to take into earnest consideration another proposal concerning it.

He therefore proposes the following line:

From the junction of the Cornetspruit with the Orange River, along the centre of the former to the point nearest to Olifantsbeen; from that point to Olifantsbeen; from Olifantsbeen to the southern point of Longberg, and along the top of that mountain to its north-western extremity; from thence to the eastern point of Jammerberg; along the top of that mountain to its north-western extremity, and from thence, by a prolongation of the same line, to the Caledon River; along the centre of that river to Jackmann's Drift; from Jackmann's Drift in a straight line to the south point of Corannaberg; from that point by a straight line through Imperani to the Caledon; and from thence along the centre of that river.

P. E. WODEHOUSE.

Aliwal North, February 6, 1869.

[No. 8.]

From the proposal of His Excellency the High Commissioner, dated 6th February, 1869, received by the Commissioners of the Orange Free State on the afternoon of that day, they think they may with satisfaction infer that His Excellency is unwilling to regard the negotiations respecting the boundary line between the Orange Free State and Basutoland at an end, as long as there exists a possibility to come to an understanding concerning it. They have much pleasure in declaring that such also is their feeling, and they hope that this mutual disposition may lead to a favourable result.

The Commissioners have devoted all their attention to the earnest consideration of the abovementioned proposal of His Excellency, and have now the honour to transmit the following in reply thereto:

As the Caledon River forms a very marked boundary line, and one which during a certain part of the year cannot easily be passed, it would, with a view to the interests of the State and the practices of the Basutos, be highly inexpedient, after a part of that river had been accepted as the boundary line, again to abandon is as such, and to encroach on the ground on the other side of that river, in order there to fix a boundary line.

Moreover, the acceptance of the last part of His Excellency's proposal would lead to the consequence that the country situated between the Putiaani, the Caledon River, and the Drakensberg would cease to form part of the territory of the Orange Free State. To this the Commissioners have not the liberty or power to consent, for Molapo and his people have, at their own request, been accepted by the Treaty of 26th March, 1868, as subjects of the Orange Free State. He has acknowleged the ground at present occupied by him to form part of our territory. The Treaty made with him has always been and still continues of full force, and its articles are still observed.

The Chief Moshesh has in Art. 4 of the Treaty of the 3rd April, 1866, acknowledged Molapo and his people as subjects of the Orange Free State, besides which the Duke of Buckingham has, according to the testimony of Mr. C. de Villiers, who was one of the members of the recent deputation to England, expressly declared that, according to the intention of Her Majesty's Government, Molapo with his people and the territory occupied by him could not be considered or comprehended in the Proclamation of His Excellency the High Commissioner of 12th March, 1868.

For the above-stated reasons the Commissioners are obliged to declare that they cannot accept that part of His Excellency's proposal describing the boundary line from Jackmann's Drift.

In order, however, to evince on their part a sincere spirit of concession, the Commissioners are prepared, under the conditions contained at the end of their proposal of the 5th February, to give up all the ground which may be taken from the Orange Free State by the boundary from the junction of the Cornetspruit with the Orange River to the Caledon River, near Jammerberg Drift, as mentioned in the first part of His Excellency's proposal.

The Commissioners trust that this proof of their disposition will be appreciated by His Excellency at its just value, and will be considered to arise solely from their desire to meet, as far as possible, the wishes of His Excellency.

The Commissioners aforesaid,
J. H. BRAND,
J. J. VENTER,
C. J. DE VILLIERS,
A. J. BESTER,
H. A. L. HAMELBERG,

Aliwal North, 8th February, 1869.

[No. 9.]

Aliwal North, 8th February, 1869.

The High Commissioner acknowledges the receipt of a communication dated this day from the Commissioners of the Orange Free State, in reply to his proposal of the 6th instant.

With reference to that part which relates to the position of the Chief Molapo he has to observe that that Chief was never, to his knowledge, regarded as an independent Chief, or in any way treated in that capacity, until on the 26th March, 1866, a treaty of peace was concluded between him and the Orange Free State. Up to that time he believes he was at all times held, not only by the British Government but by that of the Orange Free State, to be entirely subordinate to his father, the Paramount Chief Moshesh. Indeed the Treaty of Thaba Bosigo itself contains a direct confirmation of that view, inasmuch as by its 6th Article the paramount Chief is made to acknowledge Molapo and his people as subjects of the Orange Free State. The High Commissioner has been instructed, as the Commissioners are aware, that the Treaty of Thaba Bosigo has been superseded by the state of war which followed, and with it, of course, the ratification of the other treaty has fallen to the ground.

Setting aside, however, the legal construction and position of the two treaties, it is the object of the High Commissioner, as directed by Her Majesty's Secretary of State, to arrive at a boundary which should be not merely the solution of a temporary difficulty, but which should have in itself, from a judicious and equitable selection, the elements of permanency. In his proposal of the 6th, he endeavoured to ask so much only and no more than in his opinion would effect such a settlement. He cannot contemplate the possibility of establishing satisfactory relations or maintaining order on the border under any arrangement which would leave Molapo and his people separate from the rest of the tribe, and under the control of a different authority. He has little doubt that Molapo entered into the treaty from the mere pressure of necessity, and he has good reason to believe that the reunion of the tribe under one authority would be very acceptable to him. Under a sense of duty, therefore, the High Commissioner is constrained to decline the boundary tendered in the last proposal of the Commissioners.

P. E. WODEHOUSE.

[No. 10.]

Aliwal North, 8th February, 1869.

With reference to the communication of His Excellency the High Commissioner of this day, the Commissioners of the Orange Free State have the honour to state,—in further elucidation of their statement of this morning, that they have not the liberty and the power to abandon Molapo and his people as Free State subjects, and the country occupied by him as Free State territory,—that they have, according to the resolution of the Volksraad of 14th January, 1869, only been commissioned to enter into negotiations with His Excellency the High Commissioner with reference to the pending questions concerning the Basuto affairs. As, in the opinion of the Volksraad, there existed no pending question with reference to Molapo and his people and the country occupied by them, the Commissioners declare that they have not been furnished with instructions on that point. They are, however, willing to consider this matter as an open question, and to promise and bind themselves, in the name of their Government, that should Molapo at any time make application to the Volksraad to be released with his people from his subjection, and to place himself and the ground occupied at present by him under British authority, such application will be taken into consideration by the Volksraad, and negotiations be carried on with the British Government concerning it.

The Commissioners declare themselves willing further to discuss this subject in a verbal conference with His Excellency, and on that occasion at the same time to agree to the minutes of the former conferences, and to enter into such other points as may be considered desirable. They leave the appointment of the hour of meeting to His Excellency.

The Commissioners aforesaid,

J. J. VENTER,
C. J. DE VILLIERS,
A. J. BESTER,
H. A. L. HAMELBERG

[No. 11.]

Aliwa North, 8th February, 1869.

The High Commissioner will be happy to discuss the position of Molapo and his people verbally with the Commissioners of the Orange Free State, and proposes the hour of 3 p.m. for the time of meeting.

P. E. WODEHOUSE.

[No. 12.]

8th February, 1869.

I am prepared to accept the line from Cornetspruit to the Caledon River, described in my proposal of the 6th instant, near Jammerberg, and from thence a line along the centre of the river to its source, on the understanding that the Volksraad shall permit Molapo and his people to become British subjects, with all the land assigned for his occupation by the 7th Article of the Treaty of the 26th March, 1866; and, further, that the Government of the Orange Free State shall permit the French missionary establishments on the north bank of the Caledon to be maintained, as before, for the reasonable purposes of the mission, on the understanding that the missionaries and the Basutos residing on the same shall conform to such regulations as may be framed for the good government of the same, and on the further understanding that 1,500 morgen of land, or such reasonable addition as may be necessary, shall be assigned to each station.

The acceptance of these limits precludes and indeed, in my opinion, absolves me from a claim to pecuniary compensation.

The offer of a pecuniary compensation of £50,000 was made with a prospect of obtaining a considerable revenue from the farms which would come under British rule.

That offer is still open to the acceptance of the Volksraad; but under the arrangement now proposed no such revenue can be expected, and I consider that the protection which will be afforded to the Free State by the presence on the border of the Frontier Police, and the consequent increase in the value of property in the State, does, in point of fact, amount to a very liberal pecuniary compensation.

P. E. WODEHOUSE.

[No. 13.]

Aliwal North, 9th February, 1869.

The Commissioners of the Orange Free State declare themselves willing to accept as the boundary line between the Orange Free State and Basutoland the line mentioned in the communication received yesterday afternoon from His Excellency the High Commissioner—viz., from Cornetspruit, according to the before mentioned line, to the Caledon River, near Jammerberg Drift, and further along the centre of the Caledon River to its source in the Drakensberg, under the understanding:

1. That, upon the written application of Molapo to the Volksraad, the Volksraad shall permit him and his people to become British subjects, with all the land assigned for their occupation by the 7th Article of the Treaty of the 26th March, 1866.

2. That the Government of the Orange Free State shall permit the French missionary establishments of Mequatling and Mabolole, on the north bank of the Caledon River, to be maintained for the reasonable purposes of the mission, subject to such regulations as shall be framed by the Government of the Orange Free State for the proper management of the same, and with the understanding that 1,500 morgen of ground, or such reasonable addition as the Government of the Free State may consider necessary and practicable, shall be assigned to each station.

The Commissioners hold that, if the Basutos had been proclaimed British subjects, the Government of the Free State would have been able to compel them to respect the boundary line laid down in the Treaty of the 3rd April, 1866, and the rights of the Free State and its inhabitants, without having to incur much expense; and they therefore consider that, for the abandonment of the ground cut off by the abovementioned boundary line, they are, according to the statement of Her Majesty's Secretary of State for the Colonies, entitled to an equitable pecuniary compensation, amounting, in their opinion, to twenty thousand pounds sterling. If His Excellency persists in his opinion that His Excellency is absolved from the obligation to consent to such pecuniary compensation, the Commissioners declare that they do not thereby consider their consent to the abovementioned boundary line as withdrawn, but they request that His Excellency will have the goodness to declare in writing that he positively declines to pay the said compensation of £20,000 sterling, or any part thereof.

In reply to the communication of the Commissioners of the Orange Free State of this date, the High Commissioner is compelled to decline paying, under the arrangement now in contemplation, the compensation of £10,000, or any part thereof.

He has already stated that his original offer of compensation to the amount of £50,000, on certain conditions, is still open to the acceptance of the Volksraad, and he would submit for the consideration of the Commissioners that, if that offer be finally rejected by the Volksraad, the question whether any, and what, compensation shall be paid under the arrangement now in contemplation may fairly form the subject of arbitration.

9th February, 1869.

The High Commissioner has no hesitation in expressing his personal opinion that the Convention of the 23rd February, 1854, is in full force, and is binding on the parties to it in the same form and to the same degree as other treaties between civilized Powers. Under the 8th Article the British Government is bound, under ordinary circumstances, at all times to permit the Government of the Orange Free State to purchase in the British Colonies such supplies of ammunition as they may require.

But this Convention is liable also, like other treaties, to infraction of its provisions at the hands of either of the parties, under adverse circumstances, and the High Commissioner admits that the stoppage of the supply of ammunition was such an infraction, brought about by the previous policy of the Free State. It took place at a time when that State had been engaged in a protracted course of hostilities with the Basutos, which he perceived to be productive of serious injury to the British Colonies, and the prolongation of which he held to be at variance with the spirit of union and friendly co-operation on which the provisions of the Convention are based. He trusts that the revival of the full operation of the Convention is close at hand, and that neither party may again have cause to complain of its infraction.

[No. 16.]

His Excellency Sir PHILIP EDMOND WODEHOUSE, Knight Commander of the Most Honourable Order of the Bath, Governor and Commander-in-Chief of the Colony of the Cape of Good Hope, Her Britannic Majesty's High Commissioner for the Affairs of South Africa, &c., &c., &c., acting on behalf and in the name of the Government of Her Britannic Majesty, on the one part;

And JOHANNES HENDRICUS BRAND, Esquire, President of the Orange Free State, HENDRIK ANTONIE LODEWYK HAMELBERG, Esquire, CORNELIUS JANSE DE VILLIERS, Esquire, JACOBUS JOHANNES VENTER, Esquire, and ANDRIES JACOBUS BESTER, Esquire, Members of the Volksraad of the Orange Free State, appointed as Commissioners by, and acting on behalf and in the name of, the Government of the Orange Free State, on the other part;

Having met at Aliwal North, in the Colony of the Cape of Good Hope, in South Africa, for the purpose of negotiating about all pending questions with regard to the Basuto affairs, have agreed, as they hereby agree:

Art. 1.—The boundary line between Basutoland, forming part of the British Empire by virtue of the Proclamation of His Excellency the High Commissioner of Her Britannic Majesty, dated 12th March, 1868, and the Orange Free State shall be as follows: From the junction of the Cornetspruit with the Orange River, along the centre of the former to the point nearest to Olifantsbeen; from that point to Olifantsbeen to the southern point of Langeberg; along the top of Langeberg to its north-western extremity; from thence to the eastern point of Jammerberg; along the top of Jammerberg to its north-western extremity; from thence, by a prolongation of the same, to the Caledon River; along the centre of the Caledon River to where the Putisani falls into it; along the centre of the Putisani to its source in the Drakensberg; from thence along the Drakensberg. (N.B.—This is, of course, subject to the provisions of Art. 6.)

Art. 2.—The boundary line mentioned in Art 1 shall be marked off, and proper beacons shall be erected along the same without delay, as far as may be deemed necessary, by two or more Commissioners to be appointed respectively by His Excellency the High Commissioner and by the President of the Orange Free State, in the presence of two land-surveyors, who shall be appointed in the same manner, and who shall frame two similar sketches of the said boundary line, to be signed by them and by the Commissioners aforesaid, one to be transmitted to His Excellency the High Commissioner and one to the President of the Orange Free [illegible].

Art. 3.—The Government of the Orange Free State hereby acknowledges the Basutos residing on the eastern side of the boundary line, mentioned in Art. 1 to be British subjects [illegible].

Art. 4.—All natives who have been allowed or permitted by the Government of the Orange Free State to reside on the western side of the boundary line mentioned in Art. 1 are hereby acknowledged to be subjects of the Orange Free State.

Art. 5.—Such Basutos, not falling within the terms of Art. 4, as at present live on the western side of the boundary line mentioned in Art. 1 shall be allowed to remain on the said side until the 31st July, 1869, in order to enable them to reap and remove their crops, and shall be obliged to quit the territory of the said State on the 1st August, 1869. Such of them as may fail to comply herewith may be expelled by such means as the Government of the Orange Free State may think fit to adopt for the purpose.

Art. 6.—Upon the written request of the Chief Molapo to the Volksraad of the Orange Free State for himself and his people to be released from their subjection to the said State, and to become British subjects, the Volksraad shall grant the said request; whereupon the land between the Putisani, Caledon River, and the Drakensberg shall cease to form part of the territory of the Orange Free State; and the boundary line mentioned in Art. 1, instead of running along the centre of the Caledon River to where the Putisani falls into it, along the centre of the Putisani to its source in the Drakensberg, and from thence along the Drakensberg, shall thereafter be taken to run along the centre of the Caledon River to its source in the Drakensberg.

Art. 7.—The French missionary establishments Mequatling and Mabolele shall be maintained for the reasonable purposes of the mission, subject to such regulations as shall from time to time be made by the Government of the Orange Free State for the proper management of the same; and 1,500 morgen of land, or such addition of ground as the Volksraad of the said State may consider necessary and practicable, shall be assigned to each of the said establishments. The French Missionary Society, however, or their representatives, shall be entitled at any time to give them up as such, and to dispose of the same, should they consider it advisable to do so.

Art. 8.—There shall be free intercourse between the white inhabitants residing in the Orange Free State on the one side, and in Basutoland on the other side, subject to the laws and regulations now in force or to become in force in the two countries respectively.

Art. 9.—No natives residing in Basutoland shall be allowed to enter or pass through the boundary of the Orange Free State, and no natives residing in the Orange Free State shall be allowed to enter or pass through Basutoland, otherwise than in conformity with such conditions and regulations as shall be enacted by the Volksraad of the Orange Free State and by or in the name of the British Government respectively.

Art. 10.—It is stipulated between the two contracting parties that from both sides criminals shall be delivered, upon the terms which shall be agreed upon hereafter, between the Government of Her Britannic Majesty on the one part, and the Government of the Orange Free State on the other part, and which shall constitute the subject of a special Convention as soon as a certain form of government for Basutoland shall have been adopted by His Excellency the High Commissioner.

Art. 11.—It is stipulated between the two contracting parties that the manner in which thefts of cattle and other property are to be proved, the manner in which the spoor of stolen cattle is to be traced, the manner in which compensation for thefts is to be claimed and to be obtained, and all other matters connected therewith, shall form the subject of a separate agreement to be entered into between the Government of Her Britannic Majesty and the Government of the Orange Free State, or such Commissioners as may be appointed by them for the said purpose.

Art. 12.—His Excellency the High Commissioner agrees to submit to arbitration the claim of the Orange Free State to compensation for thefts committed and other damage done by the Basutos to the inhabitants of the Orange Free State since the date of the Proclamation of His Excellency the High Commissioner by which the Basutos had become British subjects, should the Volksraad of the Orange Free State desire such arbitration.

Art. 13.—In the same manner His Excellency the High Commissioner agrees to arbitration with regard to the claim of the Orange Free State to compensation for the abandonment of the land situate between the boundary line mentioned in Art. 1 of the Treaty of Peace between the Orange Free State and the Chief Moshesh, dated 3rd April, 1866, and that mentioned in Art. 1 of the present Convention, and in the case provided for by Art. 6 for the abandonment of the land situated between the Putisani, the Caledon River, and the Drakensberg.

Art. 14.—Nothing herein contained shall be construed to set aside or invalidate the Convention entered into on the 23rd February, 1854, between Sir George Russell Clerk, Her Britannic Majesty's Special Commissioner, and the Representatives delegated by the Orange River Territory, or any part of the said Convention.

Art. 15.—The present Convention, subject to the confirmation and ratification of the Government of Her Britannic Majesty on the one part, and of the Government of the Orange Free State on the other part, shall be carried immediately into execution without waiting for the exchange of ratifications, which shall take place in Cape Town, in the Colony of the Cape of Good Hope.

[No. 17.]

SIR,—I have the honour to forward for the consideration of the Commissioners certain observations on the draft Convention enclosed with your letter of this date, and by permission to observe at the same time that it contains no allusion to the arrangement under which the line between the Free State and British territory would have been that which existed between the State and the Basutos before the war, and under which I should have left with the Free State the proceeds of the farms sold, and have paid them in addition a compensation of £40,000. I understood that Mr. Hamelberg would draw the Convention in such form as to relieve to the Volksraad the option at the two [illegible].

I shall be happy to meet the Commission at 4 p.m.

[No. 18]

Proposed Alterations.

Art. 1.—Before "be as follows" insert "subject to the provisions contained in the 6th Article hereof," and omit the note at the end of the Article.

Art. 3.—If the Article be necessary at all, the words "residing on the eastern side of the boundary line mentioned in Article 1" may well be omitted. Them going to reside, with leave, on the Free State side of the line will not deprive them of their status as British subjects.

Art. 4.—I am unable to judge of the scope and object of this Article.

Art. 5.—Perhaps omit the words "not falling within the terms of Article 4." At the beginning of the Article insert "subject to the provisions contained in Article 7;" also insert after "crops," "and after the said day, unless specially permitted to remain by the Government of the Orange Free State, shall"

Art. 6.—Substitute at the beginning "and whereas the Chief Molapo has signified to the High Commissioner his desire to be received as a British subject, it is] further agreed that upon his addressing a request to the Volksraad that he and his people may be relieved."

Art. 7.—After "mission" insert "and the missionaries and the natives residing on them shall be."

Art. 8.—After "intercourse" insert "personal and commercial."

Art. 10.—After "as soon as" substitute "the Government of Basutoland shall have been constituted."

Art. 12—After "State" insert "and the claims of the Basutos, for like compensation."

[No. 19]

Aliwal North, 10th February, 1869.

His Excellency Sir P. E. WODEHOUSE, K.C.B., H.M.'s High Commissioner.

SIR,—On the 26th June, 1867, I wrote to the Chief Moshesh, complaining of several thefts committed by the people of David Mosoepa, and also of the murder of Mr. Bush, an English trader. This murder was committed in time of peace. In terms of Art. 6 of the Treaty of Thaba Bosigo, I wrote to the Chief Moshesh, asking him to deliver the culprit, in the following terms:

"I have also to acquaint you that I have received information that Mr Bush, an Englishman, has been murdered a fortnight ago, at Mequatling, by a son of Marakabi, and that the culprit has been sent to Thaba Bosigo, where he is kept as a prisoner by you. I am glad to see that the culprit is in custody, and I am sure you will use your best endeavours to assist me in the investigation of this crime. Bush was killed on Free State ground, and as the law generally adopted by all nations is that the culprit must be tried in the country within whose jurisdiction the crime was committed, I hope you will cause the prisoner to be forwarded to Bloemfontein, and also furnish me with the names of the witnesses, so that the authorities here may be able to cause a preliminary investigation to be held in order to investigate the murder. I rely upon your cordial co-operation and assistance."

This request was not complied with. Shortly afterwards young Krynauw was murdered, and Van der Walt was severely wounded by the Basutos, as stated in the last section of my letter dated 24th September, 1867, to your Excellency. In consequence of these murders, and several acts of violence and thefts, we were compelled to take up arms against the Basutos. If the Basutos had not been declared British subjects our Government would have compelled Moshesh to deliver up the culprits.

And considering that it would be a good example against such crimes if the perpetrators are delivered up to justice, the Volksraad instructed our Commissioners to endeavour to obtain the surrender of the murderers, and according to the arrangement of our Commissioners, I now beg to request that your Excellency will cause the necessary steps to be taken for the apprehension and trial of these criminals. I have been informed that Rautsani, the son of Molitzani, was also implicated in the murder.

I have the honour to be

Your Excellency's most obedient, humble servant,

J. H. BRAND.

Aliwal North, 11th February, 1869.

His Honour the President of the Orange Free State.

SIR,—I beg to assure you that I have very carefully considered the application made to me in your letter of yesterday's date for the delivery to your Government of certain Basutos who are alleged to have committed murders in 1867.

Whether I could legally comply with this request is a matter on which I entertain the greatest doubt, and one on which it is out of my power here to obtain professional advice. But the solution of this question is comparatively unimportant, as I am satisfied that, under all the circumstances, it would be opposed to sound policy and to the public interests if I were now to take [illegible] active steps in connection with the [illegible] you refer. You [illegible] [illegible] you now say for [illegible]

were compelled to take up arms. The particular Basutos whom you charge with the murders had long been the possessors of that very part of the country in which the murdered men had established themselves.

In point of fact, while I acknowledge that a peace was made on paper between the Free State and Moshesh, I have a strong belief that with the people it was very different, and that, being an uncivilized nation, they never acquiesced in the arrangements that had been made. I have no doubt that melancholy atrocities were committed on both sides as the inevitable result of such description of warfare.

I think it is in the highest degree inexpedient to institute inquiries into past transactions which cannot be retrieved, and the agitation of which would tend to keep alive bitter animosities, the extinction of which is our great object.

On these grounds I hope you will excuse my declining to comply with your request.

I have, &c.,

P. E. WODEHOUSE.

His Excellency Sir PHILIP EDMUND WODEHOUSE, Knight Commander of the Most Honourable Order of the Bath Governor and Commander-in-Chief of the Colony of the Cape of Good Hope, Her Britannic Majesty's High Commissioner for the Affairs of South Africa, &c., &c., &c., acting on behalf and the name of the Government of Her Britannic Majesty, on the one part;

And JOHANNES HENDRICUS BRAND, Esq., President of the Orange Free State, HENDRIK ANTONIE LODEWYK HAMELBERG, Esq, CORNELIS JANSE DE VILLIERS, Esq., JACOBUS JOHANNES VENTER, Esq., and ADRIES JACOBUS BESTER, Esq., Members of the Volksraad of the Orange Free State, appointed as Commissioners by, and acting on behalf and in the name of, the Government of the Orange Free State, on the other part;

Having met at Aliwal North, in the Colony of the Cape of Good Hope, in South Africa, for the purpose of negotiating about all pending questions with regard to the Basuto affairs, have agreed, as they hereby agree:

Art. 1.—The boundary line between Basutoland forming part of the British Empire by virtue of the Proclamation of His Excellency the High Commissioner of Her Britannic Majesty, dated 12th March, 1868, and the Orange Free State, shall subject to the provisions contained in the 6th Article hereof, be as follows: From the junction of the Cornspruit with the Orange River along the centre of the former to the point nearest to Olifantsbeen; from that point to Olifantsbeen; from Olifantsbeen to the southern point of Langberg; along the top of Langberg to its north-western extremity; from thence to the eastern point of Jammerberg; along the top of Jammerberg to its north-western extremity; from thence, by a prolongation of the same, to the Caledon River; along the centre of the Caledon River to where the Putisani falls into it; along the centre of the Putisani to its source in the Drakensberg; from thence along the Drakensberg.

Art. 2.—The boundary line mentioned in Article 1 shall be marked off and proper beacons shall be erected along the same without delay, as far as may be deemed necessary, by two or more Commissioners, to be appointed respectively by His Excellency the High Commissioner and the President of the Orange Free State, in the presence of two land surveyors, who shall be appointed in the same manner, and who shall frame two similar sketches of the said boundary line or such part of the same as shall be marked off, to be signed by them and by the Commissioners aforesaid, one to be transmitted to His Excellency the High Commissioner, and one to the President of the Orange Free State.

Art. 3.—The Government of the Orange Free State hereby acknowledges the Basutos domiciled on the eastern side of the boundary line mentioned in Art. 1 to be British subjects.

Art. 4.—All natives who have been allowed or permitted by the Government of the Orange Free State to establish themselves on the Free State side of the boundary line mentioned in Art. 1 are hereby acknowledged to be subjects of the Orange Free State.

Art. 5.—Such Basutos, not falling within the terms of Art 4 or Art. 7, as at present live on the western side of the boundary line mentioned in Art. 1 shall be allowed to remain on the said side until the 31st day of July, 1869, in order to enable them to reap and remove their crops; and after the said day, unless specially permitted by the Government of the Orange Free State to remain, shall be obliged to quit the territory of the said State. Such of them as may fail to comply herewith may be expelled by such means as the Government of the Orange Free State may think fit to adopt for that purpose.

Art. 6.—Upon the written request of the Chief Nelappo to the Volksraad of the Orange Free State for himself and his people to be relieved from their subjection to that State, and to become British subjects, the Volksraad shall grant the said request; whereupon the land between the Putisani, the Caledon River, and the Drakensberg shall cease to form part of the territory of the Orange Free State; and the boundary line mentioned in Art. 1, instead of running along the centre of the Caledon River, to where the Putisani falls into it, along the centre of the Putisani to its source in the Drakensberg, and from thence along the Drakensberg, shall thereafter be taken to run along the centre of the Caledon River to its source in the Drakensberg.

Art. 7.—The French missionary establishments Beersheba and Mabolele shall be maintained for the reasonable purposes of the mission, and the missionaries and natives residing on them shall be subject to such regulations as shall from time to time be made by the Government of the Orange Free State for the proper management of the same; and 1,500 morgen of land, or such addition of ground, as the Volksraad of the said State may consider necessary and practicable, shall be assigned to each of the said establishments. The French missionary Society, however, or their representatives, shall be entitled at any time to give them up, as such, and to dispose of the same, should they consider it advisable to do so.

Art. 8.—There shall be free intercourse, personal and commercial, between the white inhabitants residing in the Orange Free State on the one side, and Basutoland on the other side, subject to such laws and regulations now in force or to become in force in the two countries respectively.

Art. 9.—No natives residing in Basutoland shall be allowed to enter or pass through the territory of the Orange Free State, and no natives residing in the Orange Free State shall be allowed to enter or pass through Basutoland, otherwise than in conformity with such conditions and regulations as are now in force or may hereafter be enacted by the Volksraad of the Orange Free State, and by or in the name of the British Government respectively.

Art. 10.—It is stipulated between the two contracting parties that from both sides criminals shall be delivered, upon the terms which shall be agreed upon hereafter, between the Government of Her Britannic Majesty on the one part, and the Government of the Orange Free State on the other part, and which shall constitute the subject of a special Convention, as soon as the Government of Basutoland shall have been constituted.

Art. 11.—It is stipulated between the two contracting parties that the manner in which thefts of cattle and other property are to be proved, the manner in which the spoor of stolen cattle is to be traced, the manner in which compensation for thefts is to be claimed and to be obtained, and all other matters connected therewith, shall form the subject of a separate agreement, to be entered into from time to time between the Government of Her Britannic Majesty and the Government of the Orange Free State, or such Commissioners as may be appointed by them for the said purpose.

Art. 12.—His Excellency the High Commissioner agrees to submit to arbitration the claim of the Orange Free State to compensation for thefts committed and other damage done by the Basutos to the inhabitants of the Orange Free State, and the claim of the Basutos to like compensation since the date of the Proclamation of His Excellency the High Commissioner, by which the Basutos have become British subjects, should the Volksraad of the Orange Free State desire such arbitration.

Art. 13.—In the same manner His Excellency the High Commissioner agrees to arbitration with regard to the claim of the Orange Free State to compensation for the abandonment of the land situate between the boundary line mentioned in Article 1 of the Treaty of Peace between the Orange Free State and the Chief Moshesh, dated 3rd April, 1866, and that mentioned in Article 1 of the present Convention, and in the case provided for by Article 6 for the abandonment of the land situate between the Putisani, the Caledon River, and the Drakensberg.

Art. 14.—Nothing herein contained shall be construed to set aside or invalidate the Convention entered into on the 23rd February, 1854, between Sir George Russell Clerk, Her Britannic Majesty's Special Commissioner, and the Representatives delegated by the inhabitants of the Orange River Territory, nor any part of the same, nor shall the Proclamation of His Excellency the High Commissioner dated 12th March, 1868, be held to have been a violation of said Convention.

Art. 15.—Nothing in the preceding Articles contained shall be held to prevent the acceptance by the Volksraad of the Orange Free State of the proposals made to the Commissioners of the said State by His Excellency the High Commissioner on the 5th day of February, 1869, as the same are set forth in the schedule hereto annexed. And if such proposals shall be accepted by the said Volksraad, then the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, and 13th of the preceding Articles shall be deemed to have been cancelled, and the several Articles contained in the said proposals shall be taken to be Articles of this Convention.

Art. 16.—The present Convention, subject to the confirmation and ratification of the Government of Her Britannic Majesty on the one part, and of the Government of the Orange Free State on the other part, shall be carried immediately into execution, without waiting for the exchange of ratifications, which shall take place in Cape Town, in the Colony of the Cape of Good Hope, within six months from this date.

Thus done and signed at Aliwal North, in the Colony of the Cape of Good Hope, this 12th day of February, in the year of our Lord One Thousand Eight Hundred and Sixty-nine.

Whenever the spoor of stolen cattle or horses is traced across the boundary line to Basutoland, the officer of the British Government stationed nearest to the place where the theft was committed, shall, upon receiving report thereof, be bound to aid the owner of the stolen property, or the person acting on his behalf, in tracing the spoor until the stolen cattle or horses are discovered in Basutoland, or until the spoor is lost, and further to give every aid and assistance which may lead to the discovery and punishment of the thief, and the recovery and restitution of the stolen property. Information shall be given by the Agent of the High Commissioner from time to time to the authorities of the Orange Free State of the names and place of residence of the officers on the border.

2. IMPORTANT SALE

In the Division of Graaff-Reinet,

Field-cornetcy Voor Sneeuwberg,

WHO KNOWS NOT

"LETSKRAAL" AND "OLYFKLOOF"

Surnamed the "Garden of Voor Sneeuwberg,"

Formerly the Homestead of the late FREDERIK LIESCHING.

IN consequence of the demise of the late Mr. EWALD WATERMEYER, the occupier, the Undersigned Proprietor, will sell by Public Auction, on

Thursday, the 15th April next,

The above first-class Stock and Grain Farm, LETSKRAAL, measuring 2,961 morgen 515 square roods, together with the adjoining piece of Land called OLYFKLOOF, measuring 934 morgen 240 square roods, thus in its full extent 3,896 morgen 155 square roods, abundantly supplied with powerful and permanent Streams. The splendid Sowing Lands, all in one level block, growing from 350 to 500 muids of Grain, and capable of expansion, together with the Orchards, the largest in the neighbourhood, and Vegetable Gardens and Plantations, are abundantly supplied with Water by two very powerful Springs. The Orchard Garden and Plantations, all hedged in, yield a large revenue from the Orange Trees alone as much as £150 a year has been made. The Buildings are large, extensive, and suitable to a first-class Farm, and consist of a comfortable Homestead, a large Building, comprising Stable, Wagon-house, Shearing-house, 3 large Out-rooms, large Loft above, and an extensive first-rate Sheep-shed behind, sheltering from all cold and wind, and large Stone Kraal, a Smithy, two more large Out-buildings, each 3 Rooms and Loft, a large Water Mill, always employed,—there being no other in the neighbourhood,—and several other Buildings. The Pasturage consists of enduring sweet and mixed grasses *(standhoudend veld)*. There are also three never-failing outlying Fountains *(buitenwaters)* at convenient distances of each other, besides some minor Water supplies.

The adjoining piece of Land, called OLYFKLOOF, is abundantly supplied with Water, and of the best Pasturage in the whole neighbourhood. This Farm, as above described, has always borne 3,000 to 4,000 Sheep and some 100 head of large Cattle, Horses, Mules, &c.; and the annual revenue from Produce and Wool, &c., has been from £650 to £1,300 per annum, exclusive of the increase. It is well known that the Wool and Grain of this Farm fetch higher prices on the Market than any other.

The Farms LETSKRAAL and OLYFKLOOF were the Homestead of Commandant-WILLEM BASTORIUS, until, in 1838, he expatriated, and is one of the most complete Farming Establishments far and wide within the Colony or beyond it. As a Homestead it is the most charming in the whole neighbourhood, or perhaps any part of the Colony.

LIVESTOCK AND MOVABLES.

More or less, 2,000 Wool Sheep, 15 Stock Rams, 200 Slaughter Sheep, 600 Goats, 50 head of Breeding Cattle, 30 Trained and 10 Untrained Young Oxen, 25 Horses and 2 Mules, some large Figs, &c., &c.

ALSO,

2 Wagons, a Scotch Cart, Ploughs, Harrows, Saddle and Carpenters' Tools, a Carpenter's Bench, Chaff-cutters, Harness, Ox-waggon-gear (*Twijgoed*), &c., &c.

F. GODF. WATERMEYER.

No. 4,100

THE CAPE OF GOOD HOPE
Government Gazette.

Published by Authority.

TUESDAY, MARCH 9, 1869.

GOVERNMENT NOTICE.—No. 71, 1869.

Colonial Office, Cape of Good Hope, 8th March, 1869.

HIS Excellency the Governor has directed the publication for general information of the following Notice to Mariners, which has been transmitted by the Indian Government.

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

Marine Department, the 24th of November, 1868.

NOTIFICATION.

Fort William, the 19th November, 1868.

No. 4 of 1868.—The following notice has been received for publication from the Chief Commissioner, British Burmah, in a letter dated Rangoon, 5th October, 1868:—

NOTICE TO MARINERS.

The following lighthouses are about to be established off the coast of British Burmah, probably on the 31st May, 1869, and this is issued as a warning, in case they should be so established :—

1.—COAST LIGHTHOUSE.

On the Krishna Shoal, Gulf of Martaban, Bay of Bengal. In latitude N. 15° 36′ 30″; longitude E. 95° 39. A lighthouse on screw piles in 3 fathoms of water at low water on the south-eastern edge of the above shoal, showing a fixed dioptric light of the second order. The focal plane of the light 55 feet above high water, rise and fall 12 feet at full and change, visible 16 miles.

The light is cut off at W.S.W. to the westward, and at N.N.E. to the eastward, the centre of the light being S.E.

In making this light (the object of which is to enable vessels to round the Baraque Point so as to avoid the dangers of the Baraque Flat and Krishna Shoal) from the westward, a vessel should keep in not less than 7 fathoms of water to the south, steering east till the light bears N.W. and distant from 5 to 10 miles, then steering N E. by N. 40 miles to make the China Buckeer lighthouse at the mouth of the Rangoon river. Vessels from the northward going south must not get in less than 6 fathoms of water to the westward, or make the light on a bearing to the W. of S.W. by S.; If after passing the light, a ship is going to the westward, she can turn in that direction when the light bears N. W., keeping in 7 fathoms.

2.—HARBOUR LIGHTHOUSE

The China Buckeer for the mouth of the Rangoon river on the western side.

Hitherto the entrance to the channel to the Rangoon river has been marked by a lightship in 3½ fathoms of water.

This lightship will not be removed till this and the following lighthouse have been illuminated.

The lighthouse is situated on the high land of China Buckeer, which is generally first made by ships bound for Rangoon, and is about 2 miles north-east of the mouth of the China Buckeer river.

It is on screw piles, and the lower part, being against a back ground of dark trees, will be painted white.

It is close to high-water mark, but the sands at low water stretch 6 miles to the eastward of it. Ships must therefore keep well to seaward from it.

It will bear a dioptric light, the upper and lower cupolas showing a fixed light, and the centre drum a revolving light, attaining its greatest brilliancy once a minute; it can be seen 18 miles from the deck of a ship. It is in latitude N. 16° 17′ and longitude E. 96° 13′.

3.—HARBOUR LIGHTHOUSE.

The eastern grove for the mouth of the Rangoon river on the eastern side.

This lighthouse is also on screw piles, in latitude N. 60° 29′, longitude E. 96° 27′ 30″.

This lighthouse will show a light of 60° and will be cut off to the eastward due south; 10° of this angle will show a condensed light, the centre of which will pass through the present position of the lightship, or in a direction S. 30° W. This condensed light will be visible 18 miles from the mast-head of a ship, and the remaining 50° of light will show 12 miles from the deck of a vessel.

Sailing Directions for making the Mouth of the Rangoon River.

Having made the China Buckeer Light from the southward or eastward, a vessel must not go to the northward of a bearing to it of west to avoid the eastern sands; and to avoid the western sands the Eastern Grove Light must not be brought to bear to the eastward of N.N.E.

All vessels steering from the eastward should make the China Buckeer Light bearing W. by N., and should not proceed on their course beyond a point where the Eastern Grove Lighthouse will bear as above, N.N.E.

Ships are not to go up channel by the Eastern Grove Light, but must anchor south of a bearing to the China Buckeer of west.

A ship anywhere to the southward of W. by N. bearing to the China Backeer Light, and anywhere to the eastward of a bearing to the Eastern Grove of N.N.E., is in safety; anywhere to the northward or westward of these bearings, in danger.

This notice is intended to be preliminary, so that vessels may not be deceived in case they find the lights lighted as above, and the lightship removed. But as something may occur to prevent their being lighted at the time noted, 31st May, 1869, until a second notice is issued that *they have been lighted*, masters of vessels should adopt all the precautions which they would adopt if the present lightship was to be their only guide,

ARTHUR BROOME, Colonel,
Offg. Secy. to the Govt. of India.

IMPORTANT SALE

In the Division of Graaff-Reinet, Field-cornetcy Voor Sneeuwberg.

WHO KNOWS NOT

"LETSKRAAL" AND "OLYFKLOOF?"

Surnamed the "Garden of Voor Sneeuwberg,"

Formerly the Homestead of the late FRIEDRICH LIESCHING.

IN consequence of the demise of the late Mr. EWALD WATERMEYER, the occupier, the Undersigned, Proprietor, will sell by Public Auction, on

Thursday, the 15th April next,

The above first-class Stock and Grain Farm, LETSKRAAL, measuring 2,961 morgen 515 square roods, together with the adjoining piece of Land called OLYFKLOOF, measuring 934 morgen 240 square roods, thus in its full extent 3,696 morgen 155 square roods, abundantly supplied with powerful and permanent Streams. The splendid Sowing Lands, all in one level Block, growing from 350 to 500 muids of Grain, and capable of expansion, together with the Orchards, the largest in the neighbourhood, and Vegetable Gardens and Plantations, are abundantly supplied with Water by two very powerful Springs. The Orchard Garden and Plantations, all hedged in, yield a large revenue; from the Orange Trees alone as much as £150 a year has been made. The Buildings are large, extensive, and suitable to a first-class Farm, and consist of a comfortable Homestead, a large Building, comprising Stable, Wagon-house, Shearing-house, 3 large Out-rooms, large Loft above, and an extensive first-rate Sheep-shed behind, sheltering from all cold and wind, and large Stone Kraal, a Smithy, two more large Out-buildings, each 3 Rooms and Loft, a large Water Mill, always employed, —there being no other in the neighbourhood,—and several other Buildings. The Pasturage consists of enduring sweet and mixed grasses *(standhoudend veld)*. There are also three never-failing outlying Fountains *(buitenpaters)* at convenient distances of each other, besides some minor Water supplies.

The adjoining piece of Land, called OLYFKLOOF, is abundantly supplied with Water, and of the best Pasturage in the whole neighbourhood. This Farm, as above described, has always borne 3,000 to 4,000 Sheep and some 100 head of large Cattle, Horses, Mules, &c.; and the annual revenue from Produce and Wool, &c., has been from £800 to £1,300 per annum, exclusive of the increase. It is well known that the Wool and Grain of this Farm fetch higher prices on the Market than any other.

The Farms LETSKRAAL and OLYFKLOOF were the Homestead of Commandant WILLEM PRETORIUS, until, in 1838, he expatriated, and is one of the most complete Farming Establishments far and wide within the Colony or beyond it. As a Homestead it is the most charming in the whole neighbourhood, or perhaps any part of the Colony.

LIVESTOCK AND MOVABLES.

More or less, 2,000 Wool Sheep, 13 Stock Rams, 200 Slaughter Sheep, 600 Goats, 50 head of Breeding Cattle, 30 Trained and 10 Untrained Young Oxen, 25 Horses and 2 Mules, some large Pigs, &c., &c.

ALSO,

2 Wagons, a Scotch Cart, Ploughs, Harrows, Smiths and Carpenters' Tools, a Carpenter's Bench, Chaff-cutters, Harness, Oxwagon-gear (*Trekgoed*), &c., &c.

The Premiums are payable yearly in advance; or at the option of the Assured, half-yearly, with a slight increase of the Rate.

This being a MUTUAL ASSURANCE SOCIETY, the profits are not, as in Proprietary Companies, divided between the Partners and the Assured,—the *whole* belong to the Policy-holders.

The Profits are divided amongst the holders of Policies at the termination of every period of THREE YEARS, and each holder may determine that his share shall be added to the sum assured by him,—or converted into Present Payment—or applied in Reduction of the future Annual Premiums payable by him.

The last Division was declared at the Annual Meeting held on the 6th July, 1868. The Profits then divided were at the rate of **2½** per cent. per annum, or **7½** per cent. for the three years. Thus a Policy of **£500,** taken out before 1st November, 1865, has **£37 10s.,** three years' Profits added to it; a Policy of the same amount, taken out before, 1st November, 1867, has **£12 10s.,** one year's Profits added; while the total accumulated Profits on a Policy of **£500,** taken out in 1845, the first year of the Society's existence, now amount to the large sum of **£401 0s. 4d.**

The next Division of Profits will take place in July, 1871.

Persons proposing for assurance will be required to produce *Certificates of Baptism*, or such other proofs of age as the Directors may deem to be satisfactory.

Candidates for assurance are *not* charged with fees payable to the *Medical Officers* of the Society.

Prospectuses, Forms of Proposal, and all information respecting the Society may be obtained at the Office in Cape Town, or at any of the Agencies throughout the Colony

This Company having a Revenue from Premiums alone of One Hundred and Forty Thousand Pounds per Annum, is in a position to transact every description of LIFE ASSURANCE on as favourable terms as any *other Company* of equal standing.

Holders of Life Policies on the profit scale, who may hereafter fill confidential situations and require to be guaranteed, may secure considerable reductions in their life premiums, by making their life policies contingent on the continuance of fidelity.

Three fourths of the Profits are divisible amongst the Policy-holders on the "Profit Scale of Premiums," affording the advantages of Mutual Assurance, with the further security of a large subscribed capital, the prudent employment of which gives a greater ratio of increase to business and to profits than a purely Mutual Society can achieve.

Assurances are granted for £10,000 on a single life.

Premiums may be paid in one sum, or yearly, or by half-yearly, or quarterly instalments.

Policies upon which five years' payments have been made, are purchased by the Society or the Policy-holders, if unable to continue paying, may receive fresh Policies in exchange (on which no further payment is required), equivalent to the then value of the Premiums already paid.

On Policies amounting to £200 and upwards for the whole of life, one-half of the Premium may remain unpaid at Interest for five years.

No extra Premium charged for voyage to and residence in any part of Europe, New Zealand, Australia (except at the "Diggings,") the Cape Colony, or British America.

This is the only Society transacting Life Assurance with Fidelity Guarantee, whose Policies of Guarantee are authorized (by Special Act of Parliament) to be accepted by Government.

The Guarantee Policies of this Society are accepted by the Treasury, Poor Law Board, and other public departments, and by the leading London and Provincial Joint-Stock and Private Banks, the principal Railway Companies, Life and Fire Offices, Public Companies, Institutions, and Commercial Firms throughout the Kingdom.

De Commissarissen dringen aan op de uitlevering der moordenaars van Bush en Krijnauw aan de Vrijstaatsche overheden, om te worden behandeld volgens de Wet.

De Hooge Commissaris zegt, dat als een eisch in geschrifte om die uitlevering gedaan wordt, hij daarop schriftelijk zal antwoorden.

De Commissarissen wijzen op Artikel 8 der Conventie van 23 Februarij, 1854, ten opzigte van ammunitie.

De Hooge Commissaris zegt, dat zoodra de Conventie zal geteekend zijn, bij alle beperkingen op de ammunitie zal opheffen, als de krijgswet in den Vrijstaat wordt afgeschaft en het verbod tegen het passeren van wagens naar en van Basutoland ingetrokken is

P. E. WODEHOUSE.

[No 2.]

De Commissarissen van den Oranje Vrijstaat, het voorstel, hun heden morgen door Zijne Excellentie den Hoogen Commissaris overhandigd in ernstige overweging genomen hebbende, hebben de eer te verklaren, dat dat voorstel door hen niet kan worden aangenomen, want dat zij, zulks doende, handelen zouden geheel in strijd met de hun gegeven instruktien en tegen het verlangen hunner Regering, tegen den wensch der burgers en tegen de belangen van den Staat.

De Regering van den Vrijstaat verlaat zich, gelijk reeds door de Commissarissen in de Conferentie van gisteren is verklaard op het Traktaat van Thaba Bosigo van 3 April, 1866 Zij houdt staande dat overeenkomstig de voorschriften van internasionaal regt dat traktaat in geenerlei maniere van kracht beroofd is door omstandigheden sedert deszelfs dagteekening voorgevallen, en zij houdt zich in 't algemeen aan de lijn bepaald in Artikel 1,—de lijn welke de Regering van den Oranje Vrijstaat gelooft regt te hebben te beschouwen als de grensscheiding tusschen den Oranje Vrijstaat en Basutoland, en die zij staande houdt, als zoodanig behoort erkend te worden ofschoon zij bereid is en de Commissarissen gemagtigd heeft in eene wijziging dier lijn toe te stemmen, indien deze zulks wenschelijk achten.

Zonder melding te maken van de verschillende redenen, van tijd tot tijd aan Zijne Excellentie den Hoogen Commissaris bekend gemaakt als hinderpalen tegen het laten varen van het veroverde en afgestane grondgebied wenschen de Commissarissen te doen opmerken, dat zij zich niet geregtigd zouden achten tot het toestemmen in een maatregel, die het gevolg zou na zich slepen, dat velen, die vertrouwen stellende in de heiligheid van een plegtig traktaat, en in de opregtheid der Regering van den Oranje Vrijstaat, plaatsen in het veroverd gebied hebben gekocht of aanvaard, genoodzaakt zouden zijn óf die plaatsen op te geven óf hunne regten als burgers van den Oranje Vrijstaat te verliezen.

Terwijl de Commissarissen dierhalve genoodzaakt zijn het voorstel van Zijne Excellentie den Hoogen Commissaris af te wijzen, verklaren zij zich bereid om, ten einde eene bij natuurlijke grensscheidingen bepaalde lijn te bekomen, afstand te doen van den grond, gelegen ten oosten van Cornetspruit, Zandspruit, Tandjesberg en de beek, loopende langs Golah in de Caledonrivier, indien nl. eene overeenkomst kan worden getroffen omtrent de schadevergoeding door de Britsche Regering aan de Regering van den Oranje Vrijstaat voor dat afstand te betalen.

De Commissarissen voormeld,
J. H. BRAND,
J. J. VENTER,
C. J. DE VILLIERS,

Aan Zijn Hoog Edele den President.

MIJNHEER,—Ik heb de eer aan de Commissarissen van den Oranje Vrijstaat ter overweging toe te zenden mijn antwoord op de memo. mij gisteren geworden.

Ik ben bereid onze beraadslagingen te hervatten, zoodra het hun gelegen zal komen.

Aliwal Noord, 6 Februarij, 1869.

De Hooge Commissaris verneemt met leedwezen, dat de Commissarissen van den Oranje Vrijstaat, verklaren, dat het aannemen van zijn voorstel, gisteren gedaan, verhinderd wordt door instruktien, hun gegeven, en in strijd is met het verlangen hunner Regering, den wensch der burgers en de belangen van den Staat.

Zijne aanneming van de wijziging der lijn, omschreven bij het Traktaat van Thaba Bosigo, thans door uwe Commissie voorgesteld, zou, meent hij, de Basutos beperken binnen limiten, die noodlottig zouden zijn voor het daarstellen van vriendschappelijke betrekkingen en het handhaven van duurzame rust en vrede.

P. E. WODEHOUSE.

[No. 4.]

De Commissarissen van den Oranje Vrijstaat hebben, voldoende aan den wensch van Zijne Excellentie den Hoogen Commissaris, Zijner Excellenties schriftelijk antwoord van gisteren in beraad genomen.

Zij bemerken uit dat antwoord, dat Zijne Excellentie de zaak der grenslijn tusschen den Oranje Vrijstaat en Basutoland in regstreeksch verband brengt met de daarstelling van vriendschappelijke betrekkingen en de handhaving van duurzame rust en orde. De Commissarissen kunnen, van hun standpunt, niet toegeven, dat er zulk een regtstreeksch verband tusschen de beide onderwerpen bestaat. Zij meenen en houden staande, dat alles, wat de grensscheiding aangaat, eene zaak is van regt, gegrond op een formeel, wettig en geldig Traktaat en op verovering en het juiste van die beschouwing en bewering is niet weersproken van de zijde des Britschen Gouvernements. Integendeel heeft Zijne Excellentie de Hooge Commissaris erkend, dat op de lijn, zoo als die in 1864 bestond niet naar regt kon worden aanspraak gemaakt, en hij heeft de verklaring van Harer Majesteits Secretaris van Staat voor de Kolonien dat de Proklamatie waarbij Basutoland tot Britsch grondgebied en de Basutos tot Britsche onderdanen worden gedeklareerd deels meenen kon Basutoland en de Basutos zoo als die een bestonden, aangenomen in het licht van bijkomstigheden. Die Proklamatie werd uitgevaardigd zonder eenig voorafgaand verzoek zonder de medewerking en zonder de toestemming van den Oranje Vrijstaat. Die Proklamatie is derhalve eene akte, geheel onafhankelijk van den Oranje Vrijstaat, en voor welker noodwendige gevolgen en resultaten de Oranje Vrijstaat niet verant-

voordelijk is. Om deze redenen zijn de Commissarissen van meening, dat alle punten, rakende de handhaving van vrede, rust en orde, en de wijze waarop de Britsche Regering het dienstig moge achten de Basutos te dwingen, de regten hunner naburen te eerbiedigen, afgescheiden zijn van de grenslijn.

Van dit gevoelen zijnde, zal het den Commissarissen aangenaam zijn van Zijne Excellentie den Hoogen Commissaris een bepaald antwoord te ontvangen, of Zijne Excellentie de gisteren door hen voorgestelde grenslijn aanneemt of verwerpt.

Aan Zijn Hoog Edele den President.

MIJNHEER,—In antwoord op uwen laatsten brief van heden, heb ik de eer een voorstel in te sluiten ter overweging der Commissarissen.

Ik heb, enz.,
P. E. WODEHOUSE.

De Hooge Commissaris zou zeer ongaarne de onderbetrekkelijk de grenslijn als afgedaan beschouwen nu hij vernoemt dat de Commissarissen van den Oranje Vrijstaat bereid zijn een ander desbetreffende voorstel in overweging te nemen.

Hij stelt derhalve de volgende lijn voor:

Van den zamenloop der Kornetspruit met de Oranjerivier langs het centrum der eerstgenoemde tot het punt het naast aan Olifantsbeen, van dat punt naar Olifantsbeen; Olifantsbeen naar het zuidelijke punt van Langeberg en langs den top diens bergs tot deszelfs noordwestelijke uiterste; vandaar tot het oostelijke punt van Jammerberg; langs den top diens bergs tot deszelfs noordwestelijke uiterste en vandaar door eene verlenging dier lijn tot de Caledonrivier; langs het midden dier rivier tot Jackmansdrift; van Jackmansdrift in eene regte lijn tot het zuidelijke punt van Korannaberg; van dat punt in eene regte lijn door Imperani tot de Caledon; en vandaar langs het midden der rivier.

P. E. WODEHOUSE.

[No. 8.]

Uit het voorstel van Zijne Excellentie den Hoogen Commissaris, gedateerd 6 Februarij, 1869, door de Commissarissen in den namiddag van dien dag ontvangen, gelooven zij met genoegen te mogen afleiden, dat Zijne Excellentie ongenegen is, de onderhandelingen, betreffende de grenscheiding tusschen den Oranje Vrijstaat en Basutoland als geëindigd te beschouwen, zoo lang als de mogelijkheid bestaat om dienaangaande tot eene verstandhouding te geraken. Het is hun hooger aangenaam te verklaren, dat zulks ook hun gevoelen is, en zij hopen, dat die wederzijdsche gezindheid leiden moge tot een gunstigen uitslag.

De Commissarissen hebben al hunne aandacht gewijd aan de ernstige overweging van het bovengemelde voorstel van Zijne Excellentie en hebben nu de eer het volgende in antwoord daarop te doen toekomen:

Vermits de Caledonrivier een zeer duidelijke grenslijn aanwijst, die daarbij gedurende zeker gedeelte door geen niet gemakkelijk kan gepasseerd worden, zoo het, met het oog op de belangen van den Staat en de posteijken der Basutos, hoogst onraadzaam zijn, nadat een gedeelte dier rivier als grenslijn is aangenomen, hen meder als zoodanig op te geven en zich te begeven op den grond aan de andere zijde dier rivier, om alsdan eene grenslijn vast te stellen.

Bovendien zou de aanneming van het laatste gedeelte van Zijner Excellenties voorstel leiden tot het gevolg, dat het land, gelegen tusschen de Putsiani, de Caledonrivier en den Drakensberg ophield, een gedeelte uit te maken van het grondgebied van den Oranje Vrijstaat. De Commissarissen hebben geene vrijheid of magt om dit toe te staan, want Molappo en diens volk zijn, op hun eigen verzoek bij het Traktaat van 26 Maart, 1868 aangenomen als burgers van den Oranje Vrijstaat Hij heeft den grond, thans bij hem geoccupeerd erkend als een gedeelte uitmakende van ons grondgebied. Het met hem gesloten Traktaat is altijd geweest en blijft nog steeds van kracht en deszelfs bepalingen worden nog nagekomen.

Het Opperhoofd Moshesh heeft bij artikel 4 van het Traktaat van 3 April, 1866, Molappo en diens volk erkend als onderdanen van den Oranje Vrijstaat, terwijl buitendien de Hertog van Buckingham, volgens de verklaring van den Heer C. de Villiers, die lid was van de jongste depatatie naar Engeland, uitdrukkelijk heeft verklaard, volgens de intentie van Harer Majesteits Regering, Malappo met diens volk en het grondgebied door hen geoccupeerd, niet kon zijn bedoeld of begrepen in de Proklamatie van Zijne Excellentie den Hoogen Commissaris van 12 Maart, 1868.

Om de bovenstaande redenen zijn de Commissarissen verpligt te verklaren, dat gedeelte van Zijner Excellenties voorstel, hetwelk de grenslijn van Jackmansdrift omschrijft, niet te kunnen aannemen.

Ten einde echter van hunne zijde een welmeenenden geest van inschikkelijkheid te doen blijken, zijn de Commissarissen bereid onder de bepalingen, voorkomende aan het einde van hun voorstel van 5 Februarij, tot het opgeven van al den grond, die van den Oranje Vrijstaat moge genomen worden door de grenslijn van den zamenloop der Kornetspruit met de Oranjerivier tot de Caledonrivier nabij Jammerdrift, als gemeld in het eerste gedeelte van Zijner Excellenties voorstel.

De Commissarissen vertrouwen, dat dit blijk hunner gezindheid door Zijne Excellentie op de regte waarde zal worden geschat en beschouwd als ontstaan enkel uit het verlangen om zoo veel mogelijk aan Zijner Excellentie's wenschen te gemoet te komen.

Aliwal Noord, 8 Februaij, 1869.

De Hooge Commissaris erkent de ontvangst eener mededeeling, gedateerd heden, van de Commissarissen van den Oranje Vrijstaat in antwoord op zijn voorstel van den 8sten dezer.

Aangaande dat gedeelte, 'twelk betrekking heeft op het Opperhoofd Molappo heeft hij op te merken, dat dat Opperhoofd nimmer, zoo ver hij weet, beschouwd is als een onafhankelijk Opperhoofd, of in eenigerlei opzigt als zoodanig behandeld werd, alvorens op den 26sten Maart, 1866, een vredesverdrag tusschen hem en den Oranje Vrijstaat gesloten werd. Hij gelooft dat Molappo tot op dien tijd, niet alleen door de Britsche Regering maar ook door die van den Oranje Vrijstaat ten allen tijde beschouwd werd als geheel en al ondergeschikt aan zijn vader, het groot Opperhoofd Mosheah. Het Traktaat van Thaba Bosigo, bevat inderdaad zelf een regt streeksche bevestiging van die meening, aangezien het bij deszelfs Artikel 6, Molappo en diens volk door het Groot Opperhoofd laat erkennen, als onderdanen van den Oranje Vrijstaat. De Hooge Commissaris heeft instruktien ontvangen, gelijk den Commissarissen bewust is, dat het Traktaat van Thaba Bosigo opgeheven is door den daarop gevolgden staat van oorlog en daarmede is natuurlijk de bekrachtiging van het andere traktaat in het water gevallen.

Daargelaten echter de wettige konstruktie en positie der twee traktaten, is het doel van den Hoogen Commissaris, als voorgeschreven door Harer Majesteits Secretaris van Staat, te geraken tot eene grensscheiding die niet slechts de oplossing is van eene tijdelijke moeijelijkheid, maar die in zichzelve, door eene oordeelkundige en billijke keuze, de elementen bevat van duurzaamheid. In zijn voorstel van den 6den trachtte hij zoo veel slechts, en niet meer te vragen dan naar zijne meening zulk eene regeling zou daarstellen. Hij kan zich de mogelijkheid eener vestiging van bevredigende betrekkingen en van de handhaving van orde op de grenzen niet voorstellen onder eenigen maatregel, die Molappo zou afgescheiden laten van het overige van den stam en onder het opzigt van eene andere overheid. Hij veerstert weinig twijfel, dat Molappo het traktaat heeft aangegaan louter onder den drang van noodzakelijkheid, en hij heeft goede redenen om te gelooven, dat de hereeniging van den stam onder één gezag hem zeer aangenaam zijn zou. Uit beseef van pligt, derhalve, is de Hooge Commissaris genoodzaakt de in het laatste voorstel der Commissarissen aangeboden grenslijn af te wijzen.

P. E. WODEHOUSE.

Aliwal Noord, 8 Februarij, 1869

Met betrekking tot de communicatie van Zijne Excellentie den Hoogen Commissaris van heden, hebben de Commissarissen van den Oranje Vrijstaat de eer te verklaren, in verdere toelichting van hunne verklaring van heden morgen, dat zij niet de vrijheid en de magt hebben om Molappo en diens volk als Vrijstaatsche onderdanen en het door hen geoccupeerde land als Vrijstaatsche grondgebied te laten varen,—dat hun volgens resolutie van den Volksraad van 14 Januarij, 1869, alleen opgedragen is met Zijne Excellentie den Hoogen Commissaris in onderhandeling te treden over de hangende kwestien betreffende de zaken der Basutos. Vermits er naar de meening van den Volksraad geene kwestie hangende was betreffende Molappo en diens volk en het door hen bewoonde grondgebied, verklaren de Commissarissen niet te zijn voorzien van instruktien op dat punt. Zij zijn echter wellig om die aangelegenheid als eene opene kwestie te beschouwen, en beloven zich te verbinden, in den naam hunner Regering, dat magt Molappo te eeniger tijd aanzoek doen bij den Volksraad om met zijn volk ontheven te worden van zijne onderdanigheid, en zich en den nu door hem geoccupeerden grond onder Britsch gezag te stellen, zoodanig aanzoek door den Raad in overweging genomen en onderhandelingen daarover met de Britsche Regering gevoerd zullen worden.

De Commissarissen verklaren zich genegen dit onderwerp verder in een mondeling onderhoud met Zijne Excellentie te overwegen en tevens zich te verstaan omtrent de minuten der voorgaan te Conferentiee en in zulke andere punten te treden als wenschelijk mogen geacht worden. Zij laten de bepaling van het uur van zamenkomst over aan Zijne Excellentie.

[No. 12]

Ik ben bereid de lijn aan te nemen van Kornetspruit tot de Caledonrivier, omschreven in mijn voorstel van 6 dezer, nabij Jammerberg en van daar eene lijn langs het midden dier rivier tot haren oorsprong, met die verstandhouding, dat de Volksraad aan Molappo en zijn volk toestaat Britsche onderdanen te worden, met al het land, hun ten gebruike aangewezen bij Artikel 7 van het Traktaat van 26 Maart, 1866; en verder, dat het Gouvernement van den Oranje Vrijstaat veroorloft de Fransche zendingsetablissementen aan den noordelijken oever der Caledonrivier in stand te houden als te voren, voor redelijke zendings oogmerken, onder de verstandhouding dat de daarop wonende zendelingen en Basutos zich zullen gedragen naar de regulatien voor hun goed bestuur reeds opgemaakt en met de verstandhouding verder, dat 1,500 morgen land op zoodanige redelijke vermeerdering als noodig moge zijn, voor elke stam zal worden aangewezen.

Het aannemen dezer limiten sluit de aanspraak op geldelijke schadeloosstelling uit en ontbeft mij naar mijne meening daarvan.

Het aanbod eener geldelijke compensatie van £50,000 werd gedaan in het vooruitzigt van aanmerkelijke inkomsten te verkrijgen uit de plaatsen die onder Britsch bestuur zouden komen.

Dat aanbod staat nog voor den Volksraad aan te nemen; maar onder de nu voorgestelde schikkingen zijn zulke inkomsten niet te verwachten, en ik meen dat de bescherming die aan den Vrijstaat zal verschaft worden door de aanwezigheid der Frontierpolitie op de grenzen, en de gevolgelijke vermeerdering der waarde van eigendom in den staat inderdaad neerkomt op eene meer vrijgevige geldelijke tegemoetkoming.

Aliwal Noord, 9 Februarij, 1869.

De Commissarissen van den Oranje Vrijstaat verklaren zich bereid als grenslijn tusschen den Oranje Vrijstaat en Basutoland aan te nemen de lijn, gemeld in de communikatie, gisteren namiddag van Zijne Excellentie den Hoogen Commissaris,—nam.: van Kornetspruit, volgens de bevorensgemelde lijn tot de Caledonsrivier, nabij Jammerbergsdrift, en verder langs het midden der Caledonsrivier tot haren oorsprong, onder bepaling:

1. Dat op het schriftelijk aanzoek van Molappo aan den Volksraad, de Volksraad hem en zijn volk zal veroorloven Britsche onderdanen te worden, met al het land, hun ten gebruike aangewezen bij Artikel 7 van het Traktaat van 26 Maart, 1866.

2. Dat de Regering van den Oranje Vrijstaat zal toestaan, dat de Fransche zendelingsposten Mequatling en Mabolele, aan den noordelijken oever van de Caledonrivier, worden in stand gehouden voor de redelijke doeleinden der zending, met onderwerping aan zoodanige regulatien als door de Regering van den Oranje Vrijstaat zullen worden ontworpen voor derzelver goed bestuur, en met de verstandhouding dat 1,500 morgen gronds, op zulk eene redelijke vermeerdering, als de Regering van den Oranje Vrijstaat noodig en doenlijk zal oordeelen, aan iedere statie zal worden toegewezen.

De Commissarissen houden staande, dat als de Basutos niet tot Britsche onderdanen waren verklaard geworden, de Regering van den Oranje Vrijstaat bekwaam zou zijn geweest hun te noodzaken, de grenslijn, vastgesteld bij het Traktaat van 3 April, 1866, en de regten van den Vrijstaat en deszelfs inwoners, te doen eerbiedigen, zonder veel kosten te beloopen, en zij achten het daarom, wegens het toestaan van den grond, afgesneden door de grenslijn bovengenoemd, overeenkomstig de verklaring van Harer Majesteits Secretaris van Staat voor de Kolonien, geregtigd tot eene billijke geldelijke schadeloosstelling, bedragende in hunne opinie twintig duizend ponden sterling. Indien Zijne Excellentie volhardt in zijne opinie, dat Zijne Excellentie ontheven is van de verpligting om zoodanige geldelijke schadeloosstelling toe te staan, verklaren de Commissarissen, dat zij daardoor hunne bevoegdheid in de bovengemelde grens-

In antwoord op het schrijven der Commissarissen van den Oranje Vrijstaat van heden is de Hooge Commissaris gemachtigd onder de nu in behandeling zijnde schikking de betaling te weigeren der Compensatie van £20,000 of eenigerlei gedeelte daarvan.

Hij heeft alreede verklaard, dat zijn oorspronkelijk aanbod van schadevergoeding ten bedragen van £50,000 op zeker voorwaarden nog door den Volksraad kan worden aangenomen, en hij wenscht aan de Commissarissen ter overweging voor te leggen, dat als dat aanbod door den Volksraad finaal verworpen wordt, de vraag of eenige en welke schadeloosstelling onder de nu in overweging zijnde schikking zal betaald worden, billijkerwijs het onderwerp van arbitrage zal kunnen uitmaken.

9 Februarij, 1869.

De Hooge Commissaris aarzelt in het uitdrukken zijner persoonlijke opinie, dat de Conventie van 23 Februarij 1854, in volle kracht is en verbindend voor de betrokkene partijen in denzelfden vorm en in gelijke mate als andere traktaten tusschen beschaafde mogendheden. Bij artikel acht is de Britsche Regering gehouden onder gewone omstandigheden te allen tijde aan de Regering van den Oranje Vrijstaat te verkoorloven, in de Britsche kolonien zoodanige hoeveelheden ammunitie te koopen als zij zal verlangen.

Maar deze Commissie is tevens, even als andere traktaten, ontbaar voor verbreking harer bepalingen van de zijde van de eene of andere der partijen, als de omstandigheden tegenloopen, en de Hooge Commissaris erkent dat het staken der levering van ammunitie zulk eene verbreking daarstelde, teweeg gebragt door de voorafgaande politiek van den Vrijstaat. Zij had plaats op een tijd, toen de Vrijstaat gewikkeld was in langgerekte vijandelijkheden met de Basutos, die hem blijken ernstig nadelig te zijn voor de Britsche kolonien en den voortduur waarvan hij in strijd achte met den geest van eendragt en vriendschappelijke zamenwerking, waarop de bepalingen der Conventie gegrond zijn. Hij vertrouwt dat de herinwing van de volledige werking der Conventie kort op handen is, en dat geene der partijen andermaal reden moge hebben over hare scheiding te klagen.

Zijne Excellentie Sir PHILIP EDMOND WODEHOUSE, Ridder, Kommandeur van de Hoogst edele Orde van het Bad, Gouverneur en Opperbevelhebber van de Kolonie Kaap de Goede Hoop, Hooge Commissaris van Hare Brittannische Majesteit voor de aangelegenheden van Zuid Afrika, enz., enz., enz., handelende voor en in naam van Hare Brittannische Majesteit ter eenre;

En [JOHANNES HENDRICUS BRAND, President van den Oranje Vrijstaat, en de Wel Edele Heeren Mr. HENDRIK ANTONIE LODEWIJK HAMELBERG CORNELIS JANSE [DE VILLIERS, [JACOBUS JOHANNES VENTER en ANDRIES JACOBUS BESTER, Leden van den Volksraad van den Oranje Vrijstaat, aangesteld als Commissarissen door en handelende voor en in den naam van de Regering van den Oranje Vrijstaat, ter anderer zijde;

Bijeengekomen zijnde te Aliwal Noord, in de Kolonie Kaap de Goede Hoop, in Zuid Afrika, ten einde te onderhandelen omtrent alle hangende kwestiën met betrekking tot de Basuto aangelegenheden, zijn overeengekomen, gelijk zij overeenkomen bij deze:

Art. 1.—De grenslijn tusschen Basutoland, uitmakende een gedeelte van het Britsche Rijk, krachtens de Proklamatie van Zijne Excellentie den Hoogen Commissaris van hare Brittannische Majesteit, dd. 12 Maart, 1868, en den Oranje Vrijstaat, zal zijn als volgt:

Van de samenvloeijing van de Kornetspruit met de Oranjerivier, langs het midden van eerstgemelde naar het punt het meest aan Olifantsbeen; van dat punt naar Olifantsbeen, tot het zuidelijke punt van Langeberg; langs den top van Langeberg naar deszelfs noordwestelijk uiteinde; van daar naar de oostelijke punt van Jammerberg, langs den top van Jammerberg tot naar deszelfs noordwestelijk uiteinde; van daar door eene verlenging van dezelve naar de Caledonrivier, langs het midden van de Caledonrivier tot waar de Putsani daarin valt; langs het midden van de Putsani tot haren oorsprong in den Drakensberg; van daar langs de Drakensberg (N.B. Dit is natuurlijk onderworpen aan de bepalingen van artikel 6)

Art. 2.—De in Art. 1 vermelde grenslijn zal afgemerkt worden en langs dezelve zullen zonder verwijl behoorlijke bakens worden opgerigt, zoo ver als noodig geoordeeld zal worden door twee of meer Commissarissen, respectivelijk te worden aangesteld door Zijne Excellentie den Hoogen Commissaris en door den President van den Oranje Vrijstaat, in de tegenwoordigheid van twee Landmeters, die op gelijke wijze zullen worden aangesteld, en die twee gelijkvormige schetsen zullen vervaardigen [illegible] grenslijn, of van zoodanig gedeelte daarvan als afgemerkt zal worden, welke schetsen door [illegible] Commissarissen voormeld zullen geteekend worden, en een waarvan aan den Hoogen Commissaris en een aan den President van den Oranje Vrijstaat zal toegezonden worden.

Art. 3.—Het Gouvernement van den Oranje Vrijstaat erkent hiermede de Basutos, wonende aan de Oostelijke zijde van de grenslijn in Art. 1 vermeld, als Britsche onderdanen.

Art. 4.—Alle inboorlingen, aan welke het Gouvernement van den Oranje Vrijstaat toegelaten of verlof gegeven heeft om zich te vestigen op de Vrijstaatsche zijde van de grenslijn in Art. 1 vermeld, worden bij deze erkend te zijn onderdanen van den Oranje Vrijstaat.

Art. 5.—Aan al zoodanige Basutos, niet vallende binnen de termen van Artt. 4 en 7, als welke thans aan de westelijke zijde van de in Art. 1 vermelde grenslijn wonen, zal toegelaten worden aan die zijde te blijven tot den 31sten dag van Julij, 1869, ten einde hen in staat te stellen om hun gezaaide te oogsten en weg te voeren, en zij zullen verpligt zijn het grondgebied van den gezegden Staat te verlaten op den 1sten Augustus, 1869. Zij die in gebreke blijven hieraan te voldoen, zullen verdreven worden op zoodanige wijze als de Regering van den Oranje Vrijstaat tot dat einde moge noodig achten.

Art. 6.—Op het schriftelijk verzoek van het Opperhoofd Molappo aan den Volksraad van den Oranje Vrijstaat, voor zichzelven en zijn volk om van hun onderdaanschap van dien Staat te worden ontslagen en Britsche onderdanen te worden, zal de Volksraad dat verzoek toestaan, waarna het land tusschen de Putisani, de Caledonrivier en de Drakensberg zal ophouden een deel uit te maken van het grondgebied van den Oranje Vrijstaat, en de grenslijn in Art. 1 vermeld zal, instede van te loopen langs het midden van de Caledonrivier tot waar de Putisani daarin valt, langs het midden van de Putisanie tot haren oorsprong in den Drakensberg, en van daar langs den Drakensberg, daarna geacht worden te loopen langs het midden van de Caledonrivier tot haren oorsprong in den Drakensberg.

Art. 7.—De Fransche Zendingposten Mequatling en Mabolele zullen voor de redelijke doeleinden van de zending worden aangehouden, onderworpen aan zoodanige Regulatien als van tijd tot tijd door het Gouvernement van den Oranje Vrijstaat gemaakt zullen worden voor het behoorlijk bestuur daarvan, en 1,500 morgen gronds of zoodanige grootere uitgestrektheid, als de Volksraad van den gezegden Staat noodig en uitvoerbaar moge achten, zullen aan elk van de gezegde statien toegekend worden. Het Fransche Zendelinggenootschap echter of deszelfs vertegenwoordigers zullen geregtigd zijn om deselve als zoodanig op te geven, en deselve te verkoopen, indien zij zulks raadzaam achten.

Art. 8.—Er zal vrij verkeer zijn tusschen de blanke inwoners van den Oranje Vrijstaat aan den eenen en van Basutoland aan den anderen kant, onderworpen aan de wetten en Regulatien nu van kracht zijnde of later van kracht wordende in beide landen respectivelijk.

Art. 9.—Aan geene inboorlingen, in Basutoland wonende, zal toegelaten worden om te komen in of te passeren over de grenzen van het grondgebied van den Oranje Vrijstaat, en aan geene inboorlingen, in den Oranje Vrijstaat wonende, zal toegelaten worden om in of door Basutoland te gaan, anders dan overeenkomstig zoodanige voorwaarden en regulatien als door den Volksraad van den Oranje Vrijstaat en door en in naam van het Britsche Gouvernement respectivelijk zullen vastgesteld worden.

Art. 10.—Door de twee kontrakterende partijen wordt bedongen, dat van beide zijden misdadigers zullen uitgeleverd worden onder de bepalingen omtrent welke naderhand zal overeengekomen worden tusschen de Regering van Hare Brittannische Majesteit ter eenre en het Gouvernement van den Oranje Vrijstaat ter anderer zijde, die het onderwerp van eene speciale overeenkomst zullen uitmaken, zoodra als zekere vorm van bestuur voor Basutoland zal zijn vastgesteld door Zijne Excellentie den Hoogen Commissaris.

Art. 11.—Tusschen de beide kontrakterende partijen wordt overeengekomen dat de wijze waarop diefstallen van vee en ander eigendom bewezen moeten worden, de wijze waarop het spoor van gestolen vee moet nagegaan en waarop vergoeding voor diefstallen moet gevraagd en verkregen worden, en alle zaken daarmede in verband staande, het onderwerp zal uitmaken van eene afzonderlijke overeenkomst, bij tijd en wijle te worden aangegaan tusschen het Gouvernement van Hare Brittannische Majesteit en het Gouvernement van den Oranje Vrijstaat of zoodanige Commissarissen als door hen tot dat einde mogen worden aangesteld.

Art. 12.—Zijne Excellentie de Hooge Commissaris stemt toe, om den eisch van den Oranje Vrijstaat om vergoeding voor diefstallen, gepleegd, en om andere schade door de Basutos aan de ingezetenen van den Oranje Vrijstaat berokkend sedert den datum der Proklamatie van Zijne Excellentie den Hoogen Commissaris, waarbij de Basutos Britsche onderdanen geworden zijn, aan arbitrage te onderwerpen, in geval de Volksraad van den Oranje Vrijstaat zoodanige arbitrage mogt verlangen.

Art. 13.—Op deselfde wijze stemt Zijne Excellentie den Hoogen Commissaris toe in arbitrage, ten opzigte van den eisch van den Oranje Vrijstaat, om vergoeding voor het afstaan van den grond gelegen tusschen de grenslijn beschreven in Artikel I van het vredestraktaat tusschen den Oranje Vrijstaat en het Opperhoofd Moshesh, dd. 3 April, 1866, en die gemeld in Artikel 1 van de tegenwoordige overeenkomst, en in het geval in Artikel 6 voorsien voor het afstaan van den grond gelegen tusschen de Putisani, de Caledonrivier en den Drakensberg.

Art. 14.—Niets van hetgeen hierin is vervat, zal geacht worden de Conventie op den 23sten Februarij 1854, aangegaan tusschen Sir George Russel Clerk, Special Commissaris van Hare Brittannische Majesteit en de vertegenwoordigers afgevaardigd door het Oranjerivier grondgebied, of een gedeelte daarvan, voor derzelver kracht te benoven of overzijde te zetten.

Art. 15.—De tegenwoordige Conventie zal, onderworpen aan de ratificatie en bekrachtiging van het Gouvernement van Hare Brittannische Majesteit ter eenre, en van het Gouvernement van den Oranjevrijstaat ter anderer zijde, dadelijk in werking gebragt worden, zonder te wachten op de uitwisseling der ratificatien, welke plaats zal vinden te Kaapstad, in de Kolonie Kaap de Goede Hoop.

[No. 17.]

MIJNHEER,—Ik heb de eer aan de Commissarissen ter overweging toe te zenden zekere bemerkingen op de ontwerp-conventie ingesloten in uwen brief van heden en vraag verlof tevens op te merken, dat zij geene zinsspeling bevat op de schikkingen, onder welke de lijn tusschen den Oranje Vrijstaat en het Britsche grongebied die zou geweest zijn, welke bestond tusschen den Staat en de Basutos vóór den oorlog, en onder welke ik aan den Vrijstaat de opbrengst zou hebben gelaten van de verkochte plaatsen, en denzelven daarenboven eene schadeloosstelling van £50,000 zou hebben betaald. Ik meende, dat de Heer Hamelberg de Conventie in zoodanigen vorm zou hebben opgemaakt, dat aan den Oranje Vrijstaat de keus uit de twee schikkingen zou worden overgelaten.

Het zal mij aangenaam zijn de Commissie ten 4 uren na den middag te ontmoeten.

[No. 18.]

Voorgestelde Veranderingen.

Art. 1.—Vóór "zijn als volgt" lees "onderworpen aan de bepalingen vervat in Artikel 6 hiervan," en laat de N.B. aan het einde van het Artikel weg.

Art. 3.—Indien dit Artikel ook al noodig moge zijn kunnen de woorden "woonende aan de oostelijke zijde der grenslijn in Art. vermeld," wel weggelaten worden. Dan zal het met verlof gaan wonen aan de Vrijstaatsche zijde der lijn hen niet berooven van hun status als Britsche onderdanen.

Art. 4.—Ik ben niet in staat den omvang en het doel van dit Artikel te beoordeelen.

Art. 5.—Misschien kunnen uitgelaten worden de woorden "niet vallende binnen de termen van Artikel 4" Aan het begin van het Artikel lees "onderworpen aan de bepalingen, vervat in Artikel 7;" lees ook na "wegvoeren" "en na dien dag zullen zij, tenzij hun door de Regering van den Vrijstaat vergund wordt te blijven."

Art. 6.—Lees aan het begin "en aangezien het opperhoofd Molappo aan den Hoogen Commissaris zijn verlangen heeft te kennen gegeven om als Britsche onderdaan te worden aangenomen, werdt verder overeengekomen, dat op zijn schriftelijk verzoek, gerigt aan den Volksraad, dat hij en zijn volk mogen worden ontslagen."

Art. 7.—Achter "zending" lees "en de zendelingen en de inboorlingen daarop wonende, zullen zijn."

Art. 8.—Vóór "verkeer" lees "persoonlijk en handels."

Art. 10.—Achter "zoodra als" lees "in plaats van wat er volgt "de Regering van Basutoland zal zijn zamengesteld."

Art. 12.—Achter "Staat" lees "en de eischen der Bosutos voor gelijke schadevergoeding."

P. E. WODEHOUSE,

10de Februarij, 1869.

[No. 19.]

Aliwal Noord, 10 Februarij, 1869.

Aan Zijne Excellentie Sir P. E. WODEHOUSE, K.C.B., Harer Majesteits Hoogen Commissaris.

Mijnheer,—Op den 26sten Junij, 1867, beklaagde ik mij schriftelijk bij het Opperhoofd Moshesh over verscheidene diefstallen gepleegd door het volk van David Masoepa en ook over het vermoorden van Bush, een Engelsch reizigter. Deze moord was bedreven in vredestijd. Volgens Artikel 6 van het Traktaat van Thaba Bosigo schreef ik aan Moshesh om de uitlevering van den bedrijver in de volgende bewoordingen:

"Ik heb u ook bekend te maken dat ik berigt ontvangen heb, dat de Heer Bush, een Engelschman, veertien dagen geleden te Mequatling vermoord is door een zoon van Marakabi, en dat de bedrijver gezonden is naar Thaba, alwaar hij door u gevangen wordt gehouden. Ik verblijd mij dat de schuldige in hechtenis is, en ik ben verzekerd, dat gij uwe beste pogingen zult aanwenden om mij te helpen in het onderzoek van deze misdaad. Bush werd vermoord op Vrijstaatschen grond, en daar het algemeen bij alle natien aangenomen regt is, dat de schuldige moet teregtstaan in het land, binnen welks grondgebied de misdaad gepleegd is, hoop ik, dat gij den gevangene naar Bloemfontein zult laten zenden, en mij ook de namen zult opgeven van de getuigen, zoodat de autoriteiten alhier in staat mogen zijn, een voorloopig onderzoek in te stellen, om de moordzaak te verhoopen. Ik reken op uwe opregte medewerking en hulp."

Aan dit verzoek werd niet voldaan. Kort daarop werd de jonge Krijnauw vermoord en van der Walt ernstig verwond door de Basutos, als medeschuldig in het laatste geval, zie mijne brief van 24 September, 1867, aan Uwe Excellentie. Tengevolge van deze misdaden en verscheidene daden van geweld en diefstal, waren wij verpligt de wapenen op te nemen tegen de Basutos. Waren de Basutos niet tot Britsche onderdanen verklaard geworden dan zou onze Regering Moshesh gedwongen hebben de misdadigers uit te leveren.

En overwegende, dat het een goed voorbeeld zou zijn tegen zulke misdaden, als de bedrijvers aan het gepast werden overgeleverd, gelaste de Volksraad de onze Commissarissen te gaan de overgave van de misdadigers te verkrijgen en overeenkomstig dien maakten wij Commissarissen mede ik [illegible] te verkrijgen de schuldige stappen [illegible]

GOVERNMENT NOTICE,—No. 23, 1869.

HIS Excellency the Lieutenant-Governor directs it to be notified that two Vessels have arrived in the harbour of Port Natal from Australia, conveying a number of Passengers, who have informed certain officers of this Governmert, at Durban, that they have come to Natal unde a misapprehension which is widely spread in Australia, that what are there termed "payable gold-fields" exist, either in Natal or the country of the Chief Moselikatse, at a distance of upwards of eight hundred miles in the interior of Africa, and beyond the territories of the Transvaal, or South African Republic.

The Lieutenant-Governor therefore deems it advisable to inform the Public generally, both in Natal and elsewhere, that this Government is not in possession of evidence of the existence of Gold in remunerative quantities, either in Natal or in the territories referred to, although auriferous spots have been discovered in both.

The Lieutenant-Governor deems it expedient also to caution persons at a distance against being misled by individual impressions of imperfect information, and against supposing that there exists at present in Natal such a demand for labour as would supply by its profits, to persons without capital, the means of proceeding into the interior.

By His Excellency's command,

D. ERSKINE,
Colonial Secretary.

Colonial Office, Natal,
9th February, 1869.

QUITRENTS.—DIVISION OF MALMESBURY.

IT is hereby notified that all Quitrents due and payable in this Division up to the 31st December, 1868, must be paid on or before the 31st of March next; after which date, legal proceedings will be instituted against all defaulters.

Colonial Office, Cape of Good Hope, 11th March, 1869.

INQUIRY having been made respecting YOES-MARIE HUBI, it is requested that any information concerning him may be communicated to this Office.

HUBI, a native of Rostrenen, Côtes du Nord, served as a Sailor on board the French Frigate *La Fidèle*, but is said to have been invalided at the Cape in March, 1804, and afterwards to have settled in the Colony. It is believed that his death took place between the years 1840 and 1850, but no certain information on the subject has hitherto been obtained.

If still alive, HUBI would now have attained the age of 93 years.

TENDERS FOR THE CONVEYANCE OF MAILS.

General Post Office, Cape Town,
13th March, 1869.

NOTICE is hereby given that Sealed Tenders, addressed to the Honourable the Auditor-General, and marked "Tender for Inland Mails," will be received by that Officer until Tuesday, the 13th April, 1869, at 12 noon, for the conveyance of the following Mails:—

1st. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Worcester.

2nd. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Ceres.

3rd. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Darling Bridge.

4th. Of the Mails between Darling Bridge and Ceres.

5th. Of the Mails between Darling Bridge and Worcester.

The above Mails to leave, as at present, the Wellington Station on Tuesdays and Thursdays, after the arrival of the first Train, and the Wellington Post Office on Sunday mornings; and to leave Worcester and Ceres on Mondays, Wednesdays, and Fridays, to reach Cape Town by the second Train on these days.

The conveyance time required to be specified by the Contractor.

The Contract to commence from the 1st June, 1869, and to terminate on the 31st December, 1872; but either of the contracting parties will be at liberty to terminate the same upon giving four months' notice, in writing, to that effect.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all intermediate Post Offices between Stations.

It is desired that the Tenderers should state the number of relays of Horses to be used, and the Stations at which they will be kept; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office*, duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly exacted. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding swollen rivers, either by applying some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions.

The Tenderers are required to convey the Mails in covered Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with Waterproof Wells, or Boxes, with strong Locks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be lashed on with good stout *riems*. The Carts to be provided with two good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers *or Parcels* in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded; *provided that part of the Box or Well of the Cart specially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry in his Vehicles, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d
For every period not exceeding half an hour –	0	2	6
„ half an hour, and not exceeding one hour –	0	7	6
„ one hour, and not exceeding an hour and a half – – – – – – – – –	0	15	0
„ one hour and a half, and not exceeding two hours – – – – – – – –	1	5	0
„ two hours, and not exceeding two hours and a half – – – – – – – –	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time herein stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he so think fit, to advertise for Tenders for a new Contract without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Boy of his shall receive any Mail Bags or Post Office Packets into any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in that same Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General *for* the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission, constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

The Contractor will be bound to provide a passage in his Mail Conveyance for an Officer of this Department, when travelling on public business, without charge, when required so to do.

Further information may be obtained on application at the Office of the Postmaster-General.

CHARLES PIERS, Postmaster-General.

IMPORTANT SALE

In the Division of Graaff-Reinet, Field-cornetcy Voor Sneeuwberg.

WHO KNOWS NOT

"LETSKRAAL" AND "OLYFKLOOF?"

Surnamed the "Garden of Voor Sneeuwberg,"

Formerly the Homestead of the late FRIEDRICH LIESCHING.

IN consequence of the demise of the late Mr. EWALD WATERMEYER, the occupier, the Undersigned, Proprietor, will sell by Public Auction, on

Thursday, the 15th April next

The above first-class Stock and Grain Farm, LETSKRAAL, measuring 2,961 morgen 515 square roods, together with the adjoining piece of Land called OLYFKLOOF, measuring 934 morgen 240 square roods, thus in its full extent 3,896 morgen 155 square roods, abundantly supplied with powerful and permanent Streams. The splendid Sowing Lands, all in one level block, growing from 350 to 500 muids of Grain, and capable of expansion, together with the Orchards, the largest in the neighbourhood, and Vegetable Gardens and Plantations, are abundantly supplied with Water by two very powerful Springs. The Orchard Garden and Plantations, all hedged in, yield a large revenue; from the Orange Trees alone as much as £150 a year has been made. The Buildings are large, extensive, and suitable to a first-class Farm, and consist of a comfortable Homestead, a large Building, comprising Stable, Wagon-house, Shearing-house, 3 large Out-rooms, large Loft above, and an extensive first-rate Sheep-shed behind, sheltering from all cold and wind, and large Stone Kraal, a Smithy, two more large Out-buildings, each 3 Rooms and Loft, a large Water Mill, always employed, —there being no other in the neighbourhood,—and several other Buildings. The Pasturage consists of enduring sweet and mixed grasses (*standhoudend veld*). There are also three never-failing outlying Fountains (*bulenwaters*) at convenient distances of each other, besides some minor Water supplies.

The adjoining piece of Land, called OLYFKLOOF, is abundantly supplied with Water, and of the best Pasturage in the whole neighbourhood. This Farm, as above described, has always borne 3,000 to 4,000 Sheep and some 100 head of large Cattle, Horses, Mules, &c.; and the annual revenue from Produce and Wool, &c., has been from £800 to £1,300 per annum, exclusive of the increase. It is well known that the Wool and Grain of this Farm fetch higher prices on the Market than any other.

The Farms LETSKRAAL and OLYFKLOOF were the Homestead of Commandant WILLEM PRETORIUS, until, in 1838, he expatriated, and is one of the most complete Farming Establishments far and wide within the Colony or beyond it. As a Homestead it is the most charming in the whole neighbourhood, or perhaps any part of the Colony.

NOTIFICATIE.

Fort William, 19 November, 1868.

No. 4 van 1868.—De volgende kennisgeving is ter publicatie ontvangen van den Hoofdcommissaris te Britsch Burmah in een brief gedateerd Rangoon, 5 October 1868:

BERIGT AAN ZEEVARENDEN.

De Volgende vuurtorens zullen weldra gevestigd worden op de kust van Britsch Burmah, waarschijnlijk op den 31sten Mei, 1869, en deze dient ter waarschuwing, in geval die vestiging geschiedt:—

1. KUST-VUURTOREN.

Op de Krishna Bank, Golf van Martaban, Baai van Bengalen. Op 15° 36′ 30″ N.B., en 95° 35′ O.L. Een vuurtoren op schroefpalen in 3 vademen water bij laag water op den zuidoostelijken hoek van genoemde bank, vertoonende een stilstaand dioptrisch licht 55 voet boven hoog water rijzing en val 12 voet op volle verandering, zigtbaar 15 mijlen.

Het licht is afgesneden in W.Z.W. naar het westen, en in N.N.O. naar het oosten, het midden van het licht zijnde Z.O.

Op dit licht afgaande (het doel waarvan is, om schepen instaat te stellen de Baraquapunt om te gaan, ten einde de gevaren van de Baraquavlakte en de Krishna Bank te vermijden) van het westen, moet een schip in niet minder dan 7 vademen water naar het zuiden gehouden worden, door oost te sturen tot dat het licht N.W. staat en op een afstand van 5 tot 10 mijlen, en dan N.O. ten N. te sturen voor 40 mijlen om den vuurtoren van Buckeer te halen aan den mond van de Rangoonrivier.

Schepen van het noorden komende en zuid gaande, moeten niet minder dan 6 vademen water krijgen westelijk of op het vuur aanhouden in eene rigting naar het W. van Z.W. ten Z.; als nadat het vuur gepasseerd is, een schip westelijk gaat, kan het in de rigting wenden wanneer het licht N.W. staat, mits blijvende in 7 vademen water.

2. HAVEN-VUURTOREN.

De China Buckeer voor den mond van de Rangoonrivier aan de Westelijke zijde.

Tot hiertoe was de ingang van het kanaal naar de Rangoonrivier gemerkt door een vuurschip in 3½ vademen water.

Deze vuurbaak zal niet worden weggenomen, voor dat deze en de volgende vuurtoren zal verlicht zijn.

De vuurtoren staat op het hoogeland van China Buckeer, waarop gewoonlijk het eerst wordt afgegaan door schepen, naar Rangoon bestemd, en is omtrent 2 mijlen noordoost van den mond der China Buckeerrivier.

De toren staat op schroefpalen en het lagere gedeelte tegen een achtergrond van donkere boomen zijnde zal wit geschilderd worden.

Hij staat digt bij hoogwatermerk maar het zand aan laagwater strekt zich uit tot 6 mijlen oost daarover. De schepen moeten dus wel zeewaarts daarvan afhouden.

Hij zal een dioptrisch licht dragen, vertoonende de boven en beneden koepel een stilstaand licht en de middeltrom een draailicht, dat deszelfs grootste schittering een in de minuut heeft; het kan gezien worden 18 mijlen van scheepsdek. He ijs op 16° 17′ N.B., en 96° 13′ O.L.

3. HAVEN-VUURTOREN.

De oostelijke Grove voor den mond van de Rangoonrivier aan de oostzijde.

Deze vuurbaak staat ook op schroefpijlers op 60° 29′ N.B., 96° 27′ 30″ O.L.

Deze baak zal een licht vertoonen van 60° en afgesneden zijn naar het oosten regtzuid, 10 graden van dezen hoek zullen een gecondenseerd licht vertoonen het middel waarvan passeren zal door de tegenwoordige positie van het vuurschip of in eene rigting Z. 30° W. Dit gecondenseerd licht zal zigtbaar zijn 18 mijlen van den top der scheepsmasten, en de overige 50° licht zullen 12 mijlen van scheepsdek te zien zijn.

Zeilaanwijzingen voor het naderen van den mond der Rangoonrivier.

Het China Buckeer Licht van het zuid of oosten bereikt hebbende moet het schip naar het noorden van een streek naar hetzelve van het westen om het oostelijke zand te vermijden; en om het westelijke zand te vermijden, moet het Grove-licht niet naar het oosten van N.N.O. gehouden worden.

Alle schepen die van het oosten sturen, moeten het China Buckeer Licht W. ten N. laten schijnen, en niet in hunnen koers voortgaan voorbij een punt waar de Oostelijke Grove Vuurtoren als boven zich N.N.O. vertoont.

Schepen moeten het kanaal niet opgaan bij het oostelijke Grove Licht, maar ankeren ten zuiden van eene streek naar de China Buckeer van het westen.

Een schip is overal ten zuiden van W. ten N. naar het China Buckeer Licht, en overal ten oosten van eene streek naar de Oostelijke Grove van N.N.O. in veiligheid; overal ten noorden of westen dier streken is het in gevaar.

Deze kennisgeving is als voorloopig bedoeld, zoodat de schepen niet bedrogen uitkomen als zij de lichten aangestoken vinden als bovengemeld, en het vuurschip weggehaald. Maar vermits er iets zou kunnen gebeuren, dat de verlichting op den aangewezen dag, 31 Mei 1869, verhinderde, behooren de gezagvoerders van schepen tot eene tweede kennisgeving *dat de lichten ontstoken zijn*, al de voorzorgen nemen, die zij nemen zouden, als het tegenwoordige vuurschip hun eenige gids ware.

HUBI, een inboorling van Rostrenen, Côtes du Nord, heeft gediend als matroos aan boord van het Fransche fregatschip "la Fidele," maar wordt gezegd in 1864 aan de Kaap invalide te zijn geworden en sich later in de Kolonie te hebben nedergezet. GOUVERNEMENTS BERIGT No. 23, 1869.

Zijne Excellentie de Luitenant Gouverneur heeft gelast bekend te maken, dat in de Haven van Port Natal Twee Schepen van Australie zijn aangekomen, met een aantal passagiers, die aan zekere ambtenaren van deze Regering te Durban hebben medegedeeld, dat zij naar Natal gegaan zijn onder de in Australie wijd en zijd verspreide misvatting dat zij aldaar genoemd worden "Winst opleverende Goudvelden" omtrent zijn of in Natal of in het land van het Opperhoofd Moselikatse op een afstand van ruim acht honderd mijlen in het binnenland van Afrika en voorbij het grondgebied van de Transvaal of Zuid Afrikaansche Republiek.

De Luitenant Gouverneur acht het daarom raadzaam het Publiek, beide in Natal en elders, in 't algemeen te doen weten, dat dit Gouvernement niet in 't bezit is van blijken van het bestaan van Goud in voordeelgevende hoeveelheden in Natal of in de bedoelde gewesten, ofschoon er Goudhoudende plekken zijn gevonden in beide.

De Luitenant Gouverneur acht het dienstig hen die zich op verren afstand bevinden te waarschuwen tegen misleiding door individuele indrukken of gebrekkige berigten en tegen de veronderstelling als zoude er tegenwoordig in Natal nogtans arbeiders zijn dat lieden zonder Kapitaal uit de overvloed van hun arbeid de middelen zouden kunnen vinden om zich naar het binnenland te begeven.

D. ERSKINE,

GOVERNMENT NOTICE.—No. 71, 1869

Colonial Office, Cape of Good Hope, 8th March, 1869.

His Excellency the Governor has directed the publication for general information of the following Notice to Mariners, which has been transmitted by the Indian Government.

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

Marine Department, the 24th of November, 1868.

NOTIFICATION.

Fort William, the 19th November, 1868.

No. 4 of 1868.—The following notice has been received for publication from the Chief Commissioner, British Burmah, in a letter dated Rangoon, 5th October, 1868:—

NOTICE TO MARINERS.

The following lighthouses are about to be established off the coast of British Burmah, probably on the 31st May, 1869, and this is issued as a warning, in case they should be so established:—

1.—Coast Lighthouse.

On the Krishna Shoal, Gulf of Martaban, Bay of Bengal. In latitude N. 15° 36′ 30″; longitude E. 95° 35′. A lighthouse on screw piles in 3 fathoms of water at low water on the south-eastern edge of the above shoal, showing a fixed dioptric light of the second order. The focal plane of the light 55 feet above high water, rise and fall 12 feet at full and change, visible 15 miles.

The light is cut off at W.S.W. to the westward, and at N.N.E. to the eastward, the centre of the light being S.E.

In making this light (the object of which is to enable vessels to round the Baraque Point so as to avoid the dangers of the Baraque Flat and Krishna Shoal) from the westward, a vessel should keep in not less than 7 fathoms of water to the south, steering east till the light bears N.W. and distant from 5 to 10 miles, then steering N.E. by N. 40 miles to make the China Buckeer lighthouse at the mouth of the Rangoon river. Vessels from the northward going south must not get in less than 6 fathoms of water to the westward, or make the light on a bearing to the W. of S.W. by S.: if after passing the light, a ship is going to the westward, she can turn in that direction when the light bears N. W., keeping in 7 fathoms.

2.—Harbour Lighthouse.

The China Buckeer for the mouth of the Rangoon river on the western side.

Hitherto the entrance to the channel to the Rangoon river has been marked by a lightship in 3½ fathoms of water.

This lightship will not be removed till this and the following lighthouse have been illuminated.

The lighthouse is situated on the high land of China Buckeer, which is generally first made by ships bound for Rangoon, and is about 2 miles north-east of the mouth of the China Buckeer river.

It is on screw piles, and the lower part, being against a back ground of dark trees, will be painted white.

It is close to high-water mark, but the sands at low water stretch 6 miles to the eastward of it. Ships must therefore keep well to seaward from it.

It will bear a dioptric light, the upper and lower cupolas showing a fixed light, and the centre drum a revolving light, attaining its greatest brilliancy once a minute; it can be seen 18 miles from the deck of a ship. It is in latitude N. 16° 17′ and longitude E. 96° 13′.

3.—Harbour Lighthouse.

The eastern grove for the mouth of the Rangoon river on the eastern side.

This lighthouse is also on screw piles, in latitude N. 60° 29′, longitude E. 96° 27′ 30″.

This lighthouse will show a light of 60° and will be cut off to the eastward due south; 10° of this angle will show a condensed light, the centre of which will pass through the present position of the lightship, or in a direction S. 30° W. This condensed light will be visible 18 miles from the mast-head of a ship, and the remaining 50° of light will show 12 miles from the deck of a vessel.

Sailing Directions for making the Mouth of the Rangoon River.

Having made the China Buckeer Light from the southward or eastward, a vessel must not go to the northward of a bearing to it of west to avoid the eastern sands; and to avoid the western sands the Eastern Grove Light must not be brought to bear to the eastward of N.N.E.

All vessels steering from the eastward should make the China Buckeer Light bearing W. by N., and should not proceed on their course beyond a point where the Eastern Grove Lighthouse will bear as above, N.N.E.

Ships are not to go up channel by the Eastern Grove Light, but must anchor south of a bearing to the China Buckeer of west.

A ship anywhere to the southward of W. by N. bearing to the China Buckeer Light, and anywhere to the eastward of a bearing to the Eastern Grove of N.N.E., is in safety; anywhere to the northward or westward of these bearings, in danger.

This notice is intended to be preliminary, so that vessels may not be deceived in case they find the lights lighted as above, and the lightship removed. But as something may occur to prevent their being lighted at the time noted, 31st May, 1869, until a second notice is issued that *they have been lighted*, masters of vessels should adopt all the precautions which they would adopt if the present lightship was to be their only guide.

IMPORTANT SALE

In the Division of Graaff-Reinet,

Field-cornetcy Voor Sneeuwberg.

WHO KNOWS NOT

"LETSKRAAL" AND "OLYFKLOOF?"

Surnamed the "Garden of Voor Sneeuwberg,"

Formerly the Homestead of the late FRIEDRICH LIESCHING.

IN consequence of the demise of the late Mr. EWALD WATERMEYER, the occupier, the Undersigned, Proprietor, will sell by Public Auction, on

Thursday, the 15th April next

The above first-class Stock and Grain Farm, LETSKRAAL, measuring 2,961 morgen 515 square roods, together with the adjoining piece of Land called OLYFKLOOF, measuring 934 morgen 240 square roods, thus in its full extent 3,896 morgen 155 square roods, abundantly supplied with powerful and permanent Streams. The splendid Sowing Lands, all in one level block, growing from 350 to 500 muids of Grain, and capable of expansion, together with the Orchards, the largest in the neighbourhood, and Vegetable Gardens and Plantations, are abundantly supplied with Water by two very powerful Springs. The Orchard Garden and Plantations, all hedged in, yield a large revenue; from the Orange Trees alone as much as £150 a year has been made. The Buildings are large, extensive, and suitable to a first-class Farm, and consist of a comfortable Homestead, a large Building, comprising Stable, Wagon-house, Shearing-house, 3 large Out-rooms, large Loft above, and an extensive first-rate Sheep-shed behind, sheltering from all cold and wind, and large Stone Kraal, a Smithy, two more large Out-buildings, each 3 Rooms and Loft, a large Water Mill, always employed, —there being no other in the neighbourhood,—and several other Buildings. The Pasturage consists of enduring sweet and mixed grasses (*standhoudend veld*). There are also three never-failing outlying Fountains (*buitenwaters*) at convenient distances of each other, besides some minor Water supplies.

The adjoining piece of Land, called OLYFKLOOF, is abundantly supplied with Water, and of the best Pasturage in the whole neighbourhood. This Farm, as above described, has always borne 3,000 to 4,000 Sheep and some 100 head of large Cattle, Horses, Mules, &c.; and the annual revenue from Produce and Wool, &c., has been from £800 to £1,300 per annum, exclusive of the increase. It is well known that the Wool and Grain of this Farm fetch higher prices on the Market than any other.

The Farms LETSKRAAL and OLYFKLOOF were the Homestead of Commandant WILLEM PRETORIUS, until, in 1838, he expatriated, and is one of the most complete Farming Establishments far and wide within the Colony or beyond it. As a Homestead it is the most charming in the whole neighbourhood, or perhaps any part of the Colony.

LIVESTOCK AND MOVABLES.

More or less, 2,000 Wool Sheep, 13 Stock Rams, 200 Slaughter Sheep, 600 Goats, 50 head of Breeding Cattle, 30 Trained and 10 Untrained Young Oxen, 25 Horses and 2 Mules, some large Pigs, &c., &c.

Koloniale Secretaris.

Departement van Marine, 24 November, 1868.

NOTIFICATIE.

Fort William, 19 November, 1868.

No. 4 van 1868.—De volgende kennisgeving is ter publicatie ontvangen van den Hoofdcommissaris te Britsch Burmah in een brief gedateerd Rangoon, 5 October 1868:

BERIGT AAN ZEEVARENDEN.

De volgende vuurtorens zullen weldra gevestigd worden op de kust van Britsch Burmah, waarschijnlijk op den 31sten Mei, 1869, en deze dient ter waarschuwing, in geval die vestiging geschiedt:—

1. KUST-VUURTORENS.

Op de Krishna Bank, Golf van Martaban, Baai van Bengalen. Op 15° 25′ 30″ N.B., en 95° 35′ O.L. Een vuurtoren op schroefpalen in 3 vademen water bij laag water op den zuidoostelijken hoek van genoemde bank, vertoonende een stilstaand dioptrisch licht 55 voet boven hoog water rijzing en val 12 voet op volle verandering, zigtbaar 15 mijlen.

Het licht is afgemeden in W.Z.W. naar het westen, en in N.N.O. naar het oosten, het midden van het licht zijnde Z.O.

Op dit licht afgaande (het doel waarvan is, om schepen instaat te stellen de Baraquapunt om te gaan, ten einde de gevaren van de Baraquaplakte en de Krishna Bank te vermijden) van het westen, moet een schip in niet minder dan 7 vademen water naar het zuiden gehouden worden, door oost te sturen tot dat het licht N.W. staat en op een afstand van 5 tot 10 mijlen, en dan N.O. ten N. te sturen voor 40 mijlen om den vuurtoren van Buckeer te halen aan den mond van de Rangoonrivier.

Schepen van het noorden komende en zuid gaande, moeten niet minder dan 6 vademen water krijgen westelijk of op het vuur aanhouden in eene rigting naar het W. van Z.W. ten Z.; als nadat het vuur gepasseerd is, een schip westelijk gaat, kan het in de rigting wenden wanneer het licht N.W. staat, mits blijvende in 7 vademen water.

2. HAVEN-VUURTOREN.

De China Buckeer voor den mond van de Rangoonrivier aan de Westelijke zijde.

Tot hiertoe was de ingang van het kanaal naar de Rangoonrivier gemerkt door een vuurschip in 3½ vademen water.

Deze vuurbaak zal niet worden weggenomen, voor dat deze en de volgende vuurtoren zal verlicht zijn.

De vuurtoren staat op het hoogeland van China Buckeer, waarop gewoonlijk het eerst wordt afgegaan door schepen, naar Rangoon bestemd, en is omtrent 2 mijlen noordoost van den mond der China Buckeerrivier.

De toren staat op schroefpalen en het lagere gedeelte tegen een achtergrond van donkere boomen zijnde zal wit geschilderd worden.

Hij staat digt bij hoogwatermerk maar het zand aan laagwater strekt zich uit tot 6 mijlen oost daarover. De schepen moeten dus wel zeewaarts daarvan afhouden.

Hij zal een dioptrisch licht dragen, vertoonende de boven en beneden koepel een stilstaand licht en de middeltroom een draailicht, dat dezelfde grootste schitterlag een in de minuut heeft; het kan gezien worden 18 mijlen van schepedek. He is op 16° 17′ N.B., en 96° 13′ O.L.

3. HAVEN-VUURTOREN.

De oostelijke Grove voor den mond van de Rangoonrivier aan de oostzijde.

Deze vuurbaak staat ook op schroefpijlers op 60° 29′ N.B., 96° 27′ 30″ O.L.

Deze baak zal een licht vertoonen van 60° en afgemeden zijn naar het oosten regtzuid, 10 graden van dezen hoek zullen een geoondenseerd licht vertoonen het middel waarvan passeren zal door de tegenwoordige positie van het vuurschip of in eene rigting Z. 30° W. Dit gecondenseerd licht zal zigtbaar zijn 18 mijlen van den top der scheepsmasten, en de overige 50° licht zullen 12 mijlen van schuepsdek te zien zijn.

Zeinaanwijzingen voor het naderen van den mond der Rangoonrivier.

Het China Buckeer Licht van het zuid of oosten derzelf hebbende moet het schip naar het noorden van een streek naar hetzelve van het westen om het oostelijke zand te vermijden; en om het westelijke zand te vermijden, moet het Grove-licht niet naar het oosten van N.N.O. gehouden worden.

Alle schepen die van het oosten sturen, moeten het China Buckeer Licht W. ten N. laten schijnen, en niet in hunnen koers voortgaan voorbij een punt waar de Oostelijke Grove Vuurtoren als boven zich N.N.O. vertoont.

Schepen moeten het kanaal niet opgaan bij het oostelijke Grove Licht, maar ankeren ten zuiden van eene streek naar de China Buckeer van het westen.

Een schip is overal ten zuiden van W. ten N. naar het China Buckeer Licht, en overal ten oosten van eene streek naar de Oostelijke Grove van N.N.O. in veiligheid; overal ten noorden of westen dier streken is het in gevaar.

Deze kennisgeving is als voorloopig bedoeld, zoodat de schepen niet bedrogen uitkomen als zij de lichten aangestoken vinden als bovengemeld, en het vuurschip weggehaald. Maar verwijs er iets zoo kunnen gebeuren, dat de verlichting op den aangewezen dag, 31 Mei 1869, vaahlinderde, behoeren de gezagvoerders van schepen tot eene tweede kennisgeving dat de lichten uitstoken zijn, al de voorzorgen nemen, die zij nemen zouden, als het tegenwoordige vuurschip hun eenige gids ware.

THE CAPE OF GOOD HOPE
Government Gazette.

Published by Authority.

FRIDAY, MARCH 19, 1869.

GOVERNMENT NOTICE.—No. 84, 1869.

Colonial Office, Cape of Good Hope,
16th March, 1869.

THE following Regulations for trading in Basutoland are published for general information.

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

TRADING REGULATIONS FOR BASUTOLAND.

1. No person shall be allowed to trade by wholesale or retail in Basutoland unless he shall first have obtained a licence for that purpose from the British Agent.

2. Every such licence will remain in force for the term stated therein, not exceeding in any case the term of twelve months from the date thereof.

3. Such licence may authorize the holder either to move from place to place for the purposes of his trade, or to establish some fixed trading station at a place to be approved by the British Agent.

4. The British Agent will be at liberty, if he shall consider it necessary so to do, to refuse to issue any such licence on the original application, or to refuse to issue a fresh licence on the expiration of any preceding licence.

5. In any case in which the renewal of the licence shall be refused as aforesaid, and in any case in which a licence shall be forfeited as hereinafter provided the holder of such previous or forfeited licences shall be permitted, at any time within three months (unless the same shall have become liable to seizure), to remove the materials of any building which he may have erected at his trading station, together with any movable property belonging to him; and failing such removal within the time appointed, such materials and property may be removed and sold by order of the British Agent; and the proceeds of such sale shall be applied, as far as may be necessary, to payment of all expenses incurred, and the balance shall be paid to the owner of the same. No claim to compensation for loss caused by such removal will be admitted. But such trader will be allowed to continue trading to the end of the three months, on paying in advance, at the beginning of each of those months, the sum of one pound.

6. For the purposes hereof the term "trading" shall be taken to include exchange or barter.

7. The sale of spirits is strictly prohibited; and the holder of any trading licence convicted thereof shall be liable to a penalty not exceeding ten pounds, and in the case of a second or subsequent conviction, shall be liable, in addition, to the forfeiture of his licence, at the discretion of the British Agent; and all spirits that may be found in his possession shall be forfeited.

8. Any person trading without such licence, or after the expiration of the term for which it shall have been granted, or in violation of the conditions thereof, or after the same shall have been forfeited, shall be liable on conviction to a penalty not exceeding ten pounds in any such case.

9. It shall be lawful for any police officer, or other person thereto authorized in writing by the British Agent, at any time to demand the production by any person trading of his licence; and any such person refusing or failing to produce the same shall be liable on conviction to a penalty not exceeding ten pounds.

10. Every trading station, or premises, or wagon, or other vehicle used for purposes of trade, shall at all times be liable to the examination of any person thereto authorized in writing by the British Agent; and the owner or person in charge of any such station, premises, wagon, or vehicle, who shall resist or obstruct such examination, shall be liable on conviction to a penalty not exceeding ten pounds.

11. The amount payable for a trading licence shall be ten pounds for one year, and at the rate of one pound per mensem for any shorter period. In the case of a licence for one year, one half of the amount shall be paid at the time of the issue of the same, and the balance in six months therefrom. The amount due for licences for any shorter time than one year shall be paid at the time of issue.

12. All penalties imposed by these regulations may be sued for before the British Agent, or before any Magistrate to be hereafter appointed in Basutoland. And all such penalties may be recovered by the seizure and sale of any property belonging to the person convicted, or which may be found on the trading station, premises, wagon, or vehicle of such person; and one half of all penalties received under these regulations shall in each case be paid to the person on whose information the conviction shall have been obtained, and the balance shall be paid to Her Majesty for the use of the Government of Basutoland.

IMPORTANT SALE

In the Division of Graaff-Reinet, Field-cornetcy Voor Sneeuwberg.

WHO KNOWS NOT

"LETSKRAAL" AND "OLYFKLOOF?"

Surnamed the "Garden of Voor Sneeuwberg,"

Formerly the Homestead of the late FRIEDRICH LIESCHING.

IN consequence of the demise of the late Mr. EWALD WATERMEYER, the occupier, the Undersigned, Proprietor, will sell by Public Auction, on

Thursday, the 15th April next,

The above first-class Stock and Grain Farm, LETSKRAAL, measuring 2,961 morgen 515 square roods, together with the adjoining piece of Land called OLYFKLOOF, measuring 934 morgen 240 square roods, thus in its full extent 3,896 morgen 155 square roods, abundantly supplied with powerful and permanent Streams. The splendid Sowing Lands, all in one level block, growing from 350 to 500 muids of Grain, and capable of expansion, together with the Orchards, the largest in the neighbourhood, and Vegetable Gardens and Plantations, are abundantly supplied with Water by two very powerful Springs. The Orchard Garden and Plantations, all hedged in, yield a large revenue; from the Orange Trees alone as much as £150 a year has been made. The Buildings are large, extensive, and suitable to a first-class Farm, and consist of a comfortable Homestead, a large Building, comprising Stable, Wagon-house, Shearing-house, 3 large Out-rooms, large Loft above, and an extensive first-rate Sheep-shed behind, sheltering from all cold and wind, and large Stone Kraal, a Smithy, two more large Out-buildings, each 3 Rooms and Loft, a large Water Mill, always employed, —there being no other in the neighbourhood,—and several other Buildings. The Pasturage consists of enduring sweet and mixed grasses *(standhoudend veld)*. There are also three never-failing outlying Fountains *(buitenwaters)* at convenient distances of each other, besides some minor Water supplies.

The adjoining piece of Land, called OLYFKLOOF, is abundantly supplied with Water, and of the best Pasturage in the whole neighbourhood. This Farm, as above described, has always borne 3,000 to 4,000 Sheep and some 100 head of large Cattle, Horses, Mules, &c.; and the annual revenue from Produce and Wool, &c., has been from £800 to £1,300 per annum, exclusive of the increase. It is well known that the Wool and Grain of this Farm fetch higher prices on the Market than any other.

The Farms LETSKRAAL and OLYFKLOOF were the Homestead of Commandant WILLEM PRETORIUS, until, in 1838, he expatriated, and is one of the most complete Farming Establishments far and wide within the Colony or beyond it. As a Homestead it is the most charming in the whole neighbourhood, or perhaps any part of the Colony.

LIVESTOCK AND MOVABLES.

More or less, 2,000 Wool Sheep, 13 Stock Rams, 200 Slaughter Sheep, 600 Goats, 50 head of Breeding Cattle, 30 Trained and 10 Untrained Young Oxen, 25 Horses and 2 Mules, some large Pigs, &c., &c.

TENDERS FOR THE CONVEYANCE OF MAILS.

General Post Office, Cape Town,
13th March, 1869.

NOTICE is hereby given that Sealed Tenders, addressed to the Honourable the Auditor-General, and marked "Tender for Inland Mails," will be received by that Officer until Tuesday, the 13th April, 1869, at 12 noon, for the conveyance of the following Mails:—

1st. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Worcester.

2nd. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Ceres.

3rd. Of the Mails between the Wellington Railway Station (*viâ* the Post Office at Wellington) and Darling Bridge.

4th. Of the Mails between Darling Bridge and Ceres.

5th. Of the Mails between Darling Bridge and Worcester.

The above Mails to leave, as at present, the Wellington Station on Tuesdays and Thursdays, after the arrival of the first Train, and the Wellington Post Office on Sunday mornings; and to leave Worcester and Ceres on Mondays, Wednesdays, and Fridays, to reach Cape Town by the second Train on those days.

The conveyance time required to be specified by the Contractor.

The Contract to commence from the 1st June, 1869, and to terminate on the 31st December, 1872; but either of the contracting parties will be at liberty to terminate the same upon giving four months' notice, in writing, to that effect.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all intermediate Post Offices between Stations.

It is desired that the Tenderers should state the number of relays of Horses to be used, and the Stations at which they will be kept; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office*, duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly exacted. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding swollen rivers, either by applying some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions.

The Tenderers are required to convey the Mails in covered Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with Waterproof Wells, or Boxes, with strong Locks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be lashed on with good stout *riems*. The Carts to be provided with two good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers or *Parcels* in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded, *provided that part of the Box or Well of the Cart specially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry in his Vehicles, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d.
For every period not exceeding half an hour –	0	2	6
„ half an hour, and not exceeding one hour –	0	7	6
„ one hour, and not exceeding an hour and a half – – – – – – – – –	0	15	0
„ one hour and a half, and not exceeding two hours – – – – – – –	1	5	0
two hours, and not exceeding two hours and a half – – – – – – – –	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time herein stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he so think fit, to advertise for Tenders for a new Contract without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Boy of his shall receive any Mail Bags or Post Office Packets into any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in that same Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission, constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

The Contractor will be bound to provide a passage in his Mail Conveyance for an Officer of this Department, when travelling on public business, without charge, when required so to do.

Further information may be obtained on application at the Office of the Postmaster-General.

CHARLES PIERS, Postmaster-General.

There are also three never-failing outlying Fountains *(buitenwaters)* at convenient distances of each other, besides some minor Water supplies.

The adjoining piece of Land, called OLYFKLOOF, is abundantly supplied with Water, and of the best Pasturage in the whole neighbourhood. This Farm, as above described, has always borne 3,000 to 4,000 Sheep and some 100 head of large Cattle, Horses, Mules, &c.; and the annual revenue from Produce and Wool, &c., has been from £800 to £1,300 per annum, exclusive of the increase. It is well known that the Wool and Grain of this Farm fetch higher prices on the Market than any other.

The Farms LETSKRAAL and OLYFKLOOF were the Homestead of Commandant WILLEM PRETORIUS, until, in 1858, he expatriated, and is one of the most complete Farming Establishments far and wide within the Colony or beyond it. As a Homestead it is the most charming in the whole neighbourhood, or perhaps any part of the Colony.

3. Zoodanige licentie mag den houder magtigen om of van plaats tot plaats te gaan voor zijnen handel, of een vast handels station te vestigen op eene door den Britschen Agent goed te keuren plaats.

4. Het zal den Britschen Agent vrijstaan, als hij sulks te doen noodzakelijk acht, de afgifte eener zoodanige licentie bij het oorspronkelijke aanzoek te weigeren of de uitgifte te weigeren van eene nieuwe licentie na den afloop eener vroeger uitgereikte.

5. In ieder geval waarin de hernieuwing eener licentie zal worden geweigerd en in ieder geval, waarin eene licentie wordt verbeurd verklaard als hierin later voorzien, zal de houder dier vroegere of verbeurde licentie vrijheid hebben, te eeniger tijd binnen drie maanden (tenzij er beslag op wordt gelegd) de materialen van elk gebouw, dat hij op zijn handelsstation mogt hebben daargesteld, benevens alle hem toebehorende roerende goederen weg te voeren; en ingeval zulks niet geschiedt binnen den aangewezen tijd, zullen die materialen en goederen mogen worden weg ruimd en verkocht op last van den Britschen Agent, en de opbrengst dier verkoping zal, zoover als noodig is, worden aangewend voor de betaling der beloopen kosten en het saldo zal worden betaald aan den eigenaar van het verkochte. 9. Iedere politiebeambte of ander daartoe door den Britschen Agent schriftelijk gemagtigd persoon zal het regt hebben te eeniger tijd van elk handeldrijvend persoon de vertooning zijner licentie te eischen; en ieder die weigert of in gebreke blijft, daaraan te voldoen, zal, schuldig bevonden, strafbaar zijn met eene boete van niet meer dan tien ponden.
